## CLIENT REVIEW

"Kylie was an amazing celebrant and I would recommend her to anyone! She really got to know us and wrote a beautiful personalised ceremony. She was super organised and a pleasure to work with, there was nothing boring about our ceremony and Kylie was always super upbeat about the whole process including all our last minute changes. She also gave us lots of help and suggestions with sample readings, sample vows and other unique ideas to include in our ceremony. She made the whole process as easy as possible and went above and beyond to make sure our day was perfect. "
