170 YEARS IN THE MAKING

The Stables - home to some of the old Caulfield Cup champions, are a truly eye catching building. The bricks were made on property in the 1850's. The festoon lights are giving that extra festive atmosphere (all night long) and the old barn doors and bricks add to the charm and rustic character for a perfect Twilight shot. *The Stables Bar* is tucked away in the old workshop of the Stables and is filled with authentic collectables from the property from over it's 160 years.

The Stables are very popular as they offer an *impressive space for ceremonies* in the courtyard. Weather permitting, we do also offer *The Stables as a reception space*, if you're looking for that relaxed atmosphere. A luncheon, or sit down dinner for 50 or a bigger cocktail style party - anything is possible.
