INTRODUCING VINO ROSSO TOURS

We are Vino Rosso Tours, a team of passionate Southern Highlanders keen to share the breath taking wine, food, and scenery that makes the Southern Highlands so special.

We want to share our favourite local spots with you, including some hidden gems that the locals love!

Our tours are 100% about you! We will work with you to design a custom tour that encompasses your group's tastes at the core of our tour experience. Tell us what you love and we will work with you to craft an experience to match!

"The Highlands" as the locals call it, is full of wineries, breweries, distilleries, and some of the oldest pubs in NSW. There is a wide range of local produce on offer, including cheese, truffles and award-winning bakeries and coffee shops.

The list of tasting experiences you could enjoy is truly endless!

WHY THE SOUTHERN HIGHLANDS?

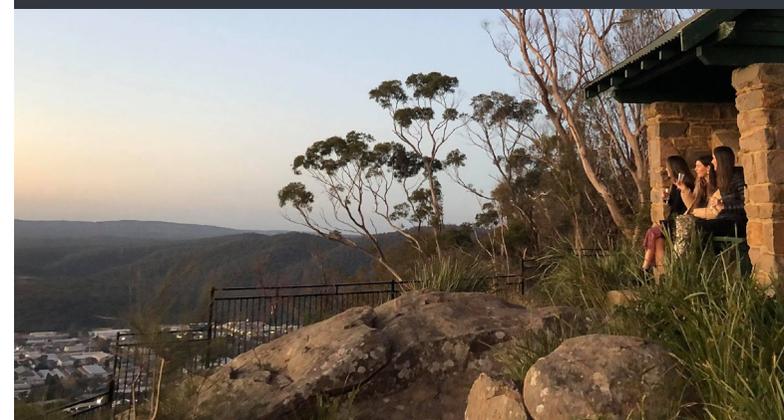

Not only is the Southern Highlands home to some of the best cool-climate wines you can find, but these suburbs are full of boutique, small-batch food producers. They're making food here that you can't get anywhere else and that makes it pretty special.

Put that together with beautiful scenery, a country-town atmosphere and within 2 hours of Sydney & Canberra and just a short 45 minute drive from the Illawarra, and we've created a fantastic weekend, girls trip or day trip.

Whether you're here for work, for life or for fun, there's something special about this region that creates true relaxation and comfort all year round.

ADD ON TO YOUR TOUR EXPERIENCE:

- 20+ unique Cellar Doors.
- Some of the oldest and most beautiful pubs in New South Wales.
- Distilleries + Breweries
- Truffle hunting + tasting tours
- Award-Winning Bakeries and Patisseries, including the signature July 'Pie-Time' Festival
- High Tea + true country charm
- Massages
- Golf
- Regular Local Markets
- Spectacular National Parks, Look-outs and Waterfalls.
