

♡ Life Events by Laurel-Lea – A Celebrant with a Difference ♡

As your Celebrant, I bring more than just heartfelt ceremonies, I bring style, personality, and savings! I include a range of styling options in my pricing to help keep your wedding expenses down. Why? Because I absolutely love what I do, and creating beautiful, memorable setups at affordable prices brings me joy!

✿ My Arbour Collection – Meet the Family!

Yes, I name them all... they're part of my Wedding Family (quirky, I know, but that's me!).

- "Stuart" – Elegant white arbour
- "Cody" – Pentagonal stained timber arbour
- "Lesley" – Gold circle arbour
- "Rachel" – White love-heart shaped arbour
- "Bronwyn" – White circle arbour
- "Eleanor" – Stained timber triangular arbour

✿ Floral Styling

I create all my own florals using silk, dried flowers, and natural greenery. Everything you see in my photos is my work. From arbours to tabletops, I tailor each design to your colour palette and vision.

✿ Styling Options Without an Arbour

Want something unique? I've got you covered with a stunning variety of non-arbour setups:
Timber logs, candles in glass jars, lanterns
Bamboo totem poles (2 sets)
Plinths: 3 silver + 4 black (perfect with mats and lanterns)
Aisle runners, petals, and candles to match your vibe

✿ Personal Touches Included:

- Welcome Sign with your names, or choose timber or white circle with gold writing, displayed on a white or black easel, styled with flowers.
- "Ceremony This Way" sign – Perfect for venues with a longer walk
- Natural Confetti – Heart-shaped dried rose petals & eucalyptus leaves in eco-friendly cones, beautifully displayed in a basket or timber box

💡 Venue Styling Available

Have an arbour or structure at your venue already? I can still add my floral sprays, tulle, and extra touches to elevate the space!

⌚ Bonus Sneaky Savings

I rent out my styling packages alone for \$500-\$750, so when you book me as your Celebrant and get it all included... you're scoring serious value (cheeky, right? 😊)

⊗ Bouquets and Button Holes

Did you know I can offer you at a "cost price" your bouquet, bridesmaids' bouquets, and buttonholes for the gents. I only charge a preparation fee for them of an additional \$50 extra. PS I am also a Florist, so I love doing this little extra for my couples, plus it allows me to see how talented I can be.
