Ceremony Packages & Styling Options

## About Me

Hi, I'm Angela — a marriage celebrant who truly loves love. My favourite thing is creating ceremonies that feel warm, personal, and unforgettable. Whether it's barefoot vows on the beach, an intimate backyard gathering, or an elegant celebration at a beautiful venue, I bring a relaxed and joyful approach to every ceremony. I'll guide you through the legal paperwork, help with your vows, and craft words that reflect your unique story — so you can simply enjoy the moment and say 'I do' with ease and love.

# Ceremony Packages

## ■ Sweet & Simple

For couples who want to keep things relaxed, meaningful, and beautifully official — without the fuss. A heartfelt legal ceremony that covers everything you need — from completing and lodging all paperwork with Births, Deaths and Marriages to creating a moment that feels just right for you. Perfect for couples who want the essentials done with warmth and care, in a setting that's small yet special.

■ Ideal for: elopements, registry-style weddings, weekday ceremonies

## ■ Intimate Celebration

A personalised ceremony with your nearest and dearest, in a setting that feels perfectly you.

For small weddings and micro-gatherings where it's all about heartfelt words, family and friends, and a setting that reflects your style. I'll create a fully personalised ceremony, guide you with your vows, and take care of all the legal requirements with Births, Deaths and Marriages — plus optional styling touches like an arbor or florals to complete your perfect backdrop.

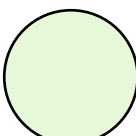

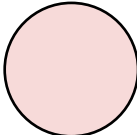

■ Ideal for: small weddings (around 20–40 guests)

## ■ Signature Ceremony

A fully styled, rehearsed, and beautifully planned celebration that's uniquely yours.

For those dreaming of a personalised ceremony with all the thoughtful touches — styled, rehearsed, and beautifully planned so you can simply arrive and enjoy. I'll craft a ceremony that's truly yours, style your arbor, guide you through a rehearsal, provide a high-quality PA system, and take care of all the legal requirements with Births, Deaths and Marriages — all while offering my full support every step of the way.
