

Hi, I'm Belle

My weddings are all about you!

I provide a professional and genuine approach to working with my clients, and make sure that your ceremony reflects you and your love story.

I want all couples and families who select me to assist in their ceremony, to have a fabulous, fun, stress-free and meaningful event and know that they can rely on us to complete all social, cultural and legal obligations for them.

ELOPE WITH BELLE

Planning on eloping?

We can work on a package for you in any destination. Let's discuss getting you hitched in a location of your choice

POA dependent on location and inclusions.

Inclusions List

- ☐ Experienced Celebrant and MC
- ☐ Personalised Service
- ☐ Ceremony Script including your love story
- ☐ Planning and Preparation session
- ☐ Event Planning Service
- ☐ In house AV and Production team
- ☐ Packaged Deals available

MC SERVICES

As your MC I will work with all suppliers to create a perfect flow for your post wedding celebrations.

In conjunction with Osmic Productions we can provide a full Entertainment experience for your reception.

Love Stories

Every Ceremony is uniquely written and designed around your Love Story. I want to make sure each couple has magical moments throughout their day which reflect their personalities and relationship.

If you need help writing your vows, we can workshop those together and make sure they are perfect.

Partnership
