Professional Wedding MC

An elegant and
composed
MC is essential
for your smooth and
fun Reception!

A funny friend or hilarious family member might seem like a great choice as your MC however they would much rather be celebrating with you, rather than watching the clock to see when the next speech, fun game or special moment such as your cake cutting or first dance needs to be announced.

That's where I come in as your **professional and dedicated MC!**

My **focus is purely on you** and how much fun you're having.

I thoroughly enjoy working closely with my fellow wedding vendors to ensure you both enjoy a seamless reception while you sip on a chilled glass of never ending champagne and celebrate with your guests.

My style as MC is **calm, classy, and coordinated**. I won't hog the microphone or try to be funny. However, I will keep my eye on the clock, read the room as best I can and do my absolute best to ensure your **night goes without a hitch!**

Wedding MC Package ~ \$800

If you feel my **style suits your wedding day vibe**, you can meet me via Zoom by [clicking here](#).

I'll happily answer all your questions and explain **the next easy step** to create your dream ceremony and reception.

*"We can't recommend Stacey highly enough. Her communication, suggestions, understanding and the way she conducted herself throughout the entire process was nothing short of above and beyond. The best way to put it, it felt like a friend had been our celebrant."
~ Jason & Pegah ~ Spicers Clovelly Estate, 12th of November, 2022*

I can't wait to meet you both!
