From the very beginning Marie brought such a a beautiful mix of warmth, professionalism, and humour that instantly put us at ease and made the entire process feel effortless. She was incredibly patient, knowledgeable, and took the time to understand us as a couple, which really showed in the ceremony she delivered. Every moment felt personal, genuine, and full of love exactly what we hoped for. Marie truly has a gift for what she does, and we can't recommend her highly enough. ## Chantal and Cory

*Marie officiated our intimate wedding in the Whitsundays, and we couldn't have asked for a better celebrant. As we weren't local to the area, she was incredibly accommodating - organising a meet and greet and helping us navigate all the paperwork with ease. Her warm and professional nature instantly put us at ease, and she did a fantastic job calming our nerves on the big day, we're so grateful she was part of such a special moment in our lives.*
