A great MC sets the tone, ensuring your event runs smoothly while keeping guests engaged, entertained, and in the moment. Whether it's a wedding reception, milestone celebration, or special event, I bring warmth, professionalism, and a whole lot of fun!

What's included:

- Planning meeting with you to shape the perfect run of events
- Creating a tailored run sheet for your reception or event
- Welcoming guests and introducing key moments (like speeches and toasts)
- Liaising with your venue coordinator, DJ, stylist, photographer, and other vendors to keep things flowing seamlessly
- Providing a calm, confident presence that keeps the energy high and stress low
- Optional use of my professional PA system if needed

Whether you'd like to keep things formal and flowing, or add a few guest games or fun moments to make it uniquely you, I'll tailor the night to suit your vibe perfectly.

\$550 flat rate (up to 4.5 hours)
