

From our very first meeting, Michelle made us feel completely at ease. She took the time to truly get to know us and created a ceremony that felt personal and very 'us'. All our guests commented on how beautiful, joyful and meaningful the ceremony was. We couldn't have imagined a better celebrant.

RACHEL & BRENDON

We could not have asked for a better MC, Michelle brought incredible warmth, energy and polish to the evening. She guided the reception beautifully, managed transitions smoothly and kept the formalities and celebrations moving at just the right pace. So many of our guests commented on how fantastic she was. We are beyond thankful she was part of our special day.

She had guests smiling and laughing throughout the ceremony, while still keeping everything beautifully organised and meaningful.

EMMA & ROB

We couldn't have asked for a more wonderful celebrant and MC for our 10-year vow renewal. Michelle took the time to understand our story and created a ceremony that felt true to us and never felt scripted or generic. Michelle brought such a fun, joyful energy, keeping the mood high and the celebration flowing all night. Thank you for being such an important part of our love story, Michelle.

Michelle's Approach

Based in the Yarra Valley, Michelle works closely with every couple to design a ceremony that reflects their story and the atmosphere they want to create on the day. Through detailed questionnaires and a thorough onboarding process, she develops a script that feels authentic, balanced and genuinely personal. Calm, organised and intuitive, Michelle guides the ceremony with warmth and clarity so each moment unfolds naturally from beginning to end.

Why Choose Michelle

A wedding ceremony shouldn't feel like something to simply "get through" before the party begins. It's the moment your marriage actually starts, and when it's done well, it becomes one of the most memorable parts of the entire day. Michelle's role goes far beyond managing the legalities, with over 20 years of broadcast experience, she knows how to craft scripts and deliver ceremonies that feel perfectly aligned to you as a couple.

The result is a perfectly delivered, beautifully written ceremony, that allows you to be fully present and immersed in the moment.
