SELFIE ME PHOTOBOOTH

Hi!

I just want to first thank you so much for your interest in the the Mirror Booth!

I am so thankful and grateful that our paths have crossed and even more excited for you as you plan your special day!

The start of a marriage is such an exciting time (and let's be honest: it's a lot of work to plan a big party!)

Trust me, I know how much work goes into planning a wedding! I watched my sister do the same!

Her wedding was my inspiration for starting this company!

I always smile going back to that night, remembering everyone grabbing the props, their drinks, even the table center pieces! Whatever they could find to create the funniest, craziest picture.

It was certainly a night to remember. A lot of laughs, a lot of fun and some of my best memories of the night!

I want to help you do the same for you, your family and your guests!

I thank you and am grateful for the opportunity.

Thank You So Much,

Francia Mokdsi
