# Partners

## Benefit your business.

By partnering with Lavish, you have the added benefit of providing more for your customers without the extra pressure of having to handle the services yourself. This means you can give your customers more value, whilst focusing on doing what you do best.

## Benefits

Partnering with Lavish helps your business thrive. A Lavish photo booth is not only an exciting addition to your event, it is a tool to encourage attendance and help differentiate you from your competitors. Our booths help customers and teams break the ice, promoting a team bonding experience that your guests will never forget. Further, each Lavish photo booth can be thoughtfully positioned in your event space, such as next to the bar, to drive sales on the night.

## Capture unforgettable moments.

Photo booths are guaranteed to entertain your guests and be a talking point for years to come.

Whether you're looking to impress your clients, delight guests at your party or capture the memories of your special day, the Lavish team is here for you.

To find out more about how a photo booth can add value to your event, give us a call today on 0488 050 799, or visit [lavishphotoboosths.com.au](http://lavishphotoboosths.com.au) and our friendly team will be in touch.
