READY TO SAY
“I DO” TO FREO?

Frequently asked Questions

How can I book?

We require a signed contract, 25% deposit and a credit card on file to secure your date.

Can I bring my own alcohol?

Yes, externally supplied alcohol may be permitted; however, homemade alcohol is not allowed. Corkage fees will apply and vary depending on the type and quantity of alcohol brought in. Please speak with your Wedding Venue Coordinator for detailed pricing and conditions. If there is something specifically you would like for your special day, please let our team know. We will do our best to source it for you.

Can we have externally supplied food?

External catering is not permitted without prior written approval from your Wedding Venue Coordinator. Any approved food must be supplied and prepared by an accredited external vendor. For health and safety reasons, homemade food is strictly prohibited. Please note that food served at the venue cannot be removed from the hotel premises.

Can I use my own suppliers?

Of course, we LOVE meeting new people! Musicians, DJ's, Stylists, Florists and Cake Decorators. We will just need all their contact info before bumping in. We would love to put you in touch with some of our favourite suppliers if you need a hand.

When are final numbers due?

Final numbers are due no later than 21 days before your special day. This amount remains payable in full, irrespective of guest attendance.

Do you cater for special dietary requirements?

Of course, we wouldn't want anyone to miss out! We just ask you have this information to us when numbers are finalised 21 days prior. Please note some dietary requirements may incur an additional charge.

How much is a children's meal?

Children's meals can be added for \$40 per child ages 4-12 and \$30 per child under the age of 4. All children will be served the same meal, picked prior to your wedding.

Can my wedding venue coordinator help with set up on the day?

Your Wedding Venue Coordinator will oversee and coordinate the setup of all venue-provided items. Please note that wedding planning and styling services are not included; however we are happy to recommend trusted planners and stylists who can assist with bringing your vision to life. If you have personal items, decorations or styling elements that require set-up on the day, we can discuss additional staffing options or recommend experienced suppliers to assist with the set up.

What time is bump in/bump out?

Weddings on our reception packages are granted a 3-hour bump-in time prior to your wedding, and a 1-hour bump-out time after. If you require more time, please liaise with your wedding coordinator regarding additional bump in fees.

Do you offer meals for external suppliers/contractors ie. Photographers/DJ's etc.

We certainly do, they work so hard we want to keep them fed. Contractor meals are \$50 per person and include a main meal and soft drink.

Can we stay at your hotel?

Of course! We offer all our weddings guests special accommodation rates. Ask your Wedding Coordinator for more details.

Do you offer parking?

[Check out our parking section](#) on our website for more details on how to find us, and the best spot to park. If you have a guest special requirement, please ask your Wedding Coordinator for more details.
