

The Service Behind the Experience

At La Bella, we take immense pride in delivering an exceptional experience for every couple on their special day. Our pricing reflects not just the travel distance but the time, care, and meticulous attention that goes into preparing our classic cars.

What's included in our service?

✦ Immaculate Presentation

Before your wedding, we dedicate at least 1.5 hours to cleaning, detailing, and polishing your chosen vehicle to perfection. Every chrome accent gleams, every surface is spotless, and the interior is fresh and luxurious.

♥ A Luxurious & Memorable Arrival

Whether you need a short trip to the ceremony or an extended drive, you'll receive the same first-class service, ensuring your arrival is elegant, stylish, and unforgettable.

🚗 Pre-Wedding Travel & Preparation

Our service starts long before we arrive at your location. We allocate two hours for travel to ensure we arrive early and ready, even if your journey to the ceremony is short. Our commitment is to punctuality, reliability, and a stress-free experience.

📷 Time for Photos & Memories

Our cars aren't just a mode of transport—they are part of your wedding memories. We allow time for photos, ensuring you capture beautiful moments with our classic vehicles.

Why This Matters

Our pricing is not just about the distance driven—it reflects the time, care, and expertise that go into delivering a premium experience. Every wedding is unique, and we invest hours behind the scenes to ensure everything runs smoothly for your big day.

We are honoured to be part of your wedding and committed to making it as special as possible. If you have any questions, feel free to reach out—we'd love to chat about how we can make your day extraordinary.
