THE CAR

1971 MG B MK II Roadster

Built in 1971, our MG B MK II Roadster is a genuine open-top British classic. Previously owned by Australian Olympian and television presenter Matt Shirvington, the car has been rebuilt with a fresh engine and new upholstery to ensure it looks and drives as beautifully as the day it left the factory.

With its open-top design and timeless British racing heritage, the MG makes a striking addition to your wedding day. Whether you're arriving at the ceremony, heading to photos, or making your getaway as newlyweds, the car brings a sense of occasion that modern vehicles can't match.

Vintage MG Weddings is owner-operated. Sam will be your driver on the day, so you're dealing with someone who knows the car, cares about it, and understands what your wedding day means to you.

INCLUDED WITH EVERY BOOKING

- Personalised 'Just Married' sign with your initials and wedding date
- Ribbon styling and tin cans for the car
- Owner-operated by Sam — your dedicated driver
- Flexible pick-up and drop-off within the Sydney metro area
- Open-top driving (weather permitting)
