NAUTILUS AVIATION - A ONCE IN A LIFETIME EXPERIENCE, EVERY TIME!

Welcome to Nautilus Aviation

Nautilus Aviation offers one of the best ways to see the world's wonders just outside our doorstep! Departing daily, jump on board one of our scenic flights, design a custom tour of your own or, for the more adventurous, take the controls and fly yourself! The sky is no longer your limit, it's your playground!

Nautilus Aviation began with a single Cessna 208 floatplane in 1993, operating from a historical World War II hangar at Townsville Airport. Today, after 24 years, we are proud to be one of the leading helicopter operators in North Australia with tourism bases in the Northern Territory and Queensland. In 2017, Nautilus Aviation expanded to New South Wales when awarded the internationally contested contract to operate the Westpac Surf Life Saver Rescue Helicopters. Our driving force: a team of over 80 highly skilled and dedicated locally based employees.

SCENIC FLIGHTS – GREAT BARRIER REEF & RAINFOREST

30 Minutes - Reef

\$399 pp

When visiting Cairns, a flight over the world's largest living coral system is a must. From the air, gain a true appreciation of the largest natural wonder of the world. This flight includes views of beautiful Green Island and Fitzroy Island and on low tide, Vlasoff Sand Cay and Upolu Sand Cay. Sightings of manta rays, turtles and other marine life are not uncommon. If you're flying with us in the winter months, there is even a chance of spotting whales!

45 Minutes - Reef & Rainforest

\$499 pp

Cairns is a city positioned between two of Tropical North Queensland's greatest treasures – the magnificent Great Barrier Reef and the World Heritage-Listed Wet Tropics Rainforest. What better way to experience the sheer size and beauty of both in one awe-inspiring flight? Combine your flight over reef with views of Stoney Creek Falls, Barron Gorge National Park, Barron Falls and the rainforest surrounding Kuranda, before passing over emerald-covered mountains and the stunning coastline of Palm Cove and the Northern Beaches.

60 Minutes - Reef & Rainforest

\$699 pp

Our deluxe flight encompassing all the natural beauty of the Cairns region in an hour-long scenic adventure. In addition to pristine sights of reef and rainforest available in the 45 minute scenic flight, magnificent panoramic views can be seen of other landscapes including the Atherton Tablelands, Copperlode Dam and Lake Morris – the major water supply for Cairns.

Upgrade: Sand Cay Touch Down

+\$80 pp

Enhance your experience with a 20 minute landing on Vlasoff Sand Cay. Explore the sand cay and enjoy a complimentary glass of sparkling wine!

SCENIC FLIGHTS: \*Minimum booking per aircraft: two passengers \*Departure time subject to availability & weather conditions \*Aircraft type: Airbus, Bell & Robinson

To many locals, Nautilus Aviation is known as the company with the "red helicopters". The red helicopters are the luxurious Airbus H120, H125, H130 and Bell 505 aircraft, flying the skies alongside our fleet of Bell 206, Bell 206L, Bell 407 and Robinson 44 helicopters. The enclosed 'Fenestron' tail rotor of H120 and H130 make them the quietest helicopters on the market, perfect for younger and more sensitive ears.

With over 25 state-of-the-art piston and turbine powered helicopters, an impeccable safety record and valuable partnerships with top tourism operators, we are proud to offer you this program of unrivalled experiences.
