STUDIO LOOK BOOK + DESIGNER INTRODUCTION.

# ABOUT US

*Hi! We're Sal & Hal, a husband-and-wife team with our daughter Stevie and Glam-Ma. Originally from the UK, we've been in the wedding industry for years — I've managed wedding venues, run a photography business, and we even had two weddings (one in Adelaide, one in Europe!).*

*We've brought our love for weddings to Imagine Bridal Studio here in Adelaide.*

*Hal is the handy man keeping everything running smoothly, while Stevie, thinks she's running her own shop. We want you to feel relaxed, excited, and confident as you find your perfect dress. Welcome to the Imagine family — we can't wait to be part of your special day!*
