# The Team

Hello! I'm Veronika, the creative director & floral designer. We service Sydney, The Hunter Valley, Southern Highlands, South Coast & beyond. Bringing to life dreamy, romantic & truly unforgettable spaces for your big day!

Florals & botanics are first & foremost my biggest inspiration, but I believe a great design is formed in the details, curated colour palettes & styling elements pairing beautifully with our blooms.

We take pride in providing a genuine client experience, offering honest suggestions, & paying close attention to every little bit of detail. We firmly believe in embracing the natural beauty of each season & exclusively work with the highest quality florals from our incredible growers & wholesalers along with bespoke styling items to bring your unique vision to life.

Your dream wedding starts here
