## *Frequently Asked Questions*

---

### **Is travel included in the price?**

Travel within Newcastle and Lake Macquarie is completely free — I only ask that you cover any parking costs on the day. For Hunter Valley, Port Stephens, and the Central Coast a travel fee of \$150–\$200 applies depending on your location.

### **When do I pay the deposit?**

A \$300 non-refundable deposit is required to secure your wedding date. I'd recommend paying as soon as possible — popular dates fill quickly and your date is not confirmed until the deposit is received.

### **Who will be doing my hair and makeup on the day?**

I only book one wedding per day, so you will always have me as your lead artist. For larger wedding parties I bring additional qualified stylists — but I personally handle all bride services, every time.

### **Do you offer hair and makeup packages?**

Rather than locking you into a set package, I prefer to build a personalised quote around exactly what you need. You only pay for the services your party actually wants. Get in touch and I'll put a quote together for you.

### **When should I schedule my trial?**

I recommend scheduling your trial between four and eight weeks before your wedding day. Trials are held at my Cameron Park studio on Tuesdays and Fridays.

### **Do you cater for the full bridal party?**

Absolutely. I provide hair and makeup for bridesmaids, mothers of the bride and groom, flower girls, and wedding guests. For larger parties, additional experienced stylists join me at no extra cost to you.

### **What makeup techniques do you offer?**

I specialise in both traditional makeup application and airbrush makeup. I'll recommend the best technique for your skin type, venue, and the look you want to achieve. False lashes are always included.

### **Do you service Sydney weddings?**

Sydney weddings are considered on enquiry. Please reach out directly to discuss your date and location and I'll advise on availability and travel costs.

### **How long does wedding day hair and makeup take?**

Timing depends on the size of your bridal party and the complexity of the looks. I'll discuss a detailed schedule with you during the booking process to ensure the morning runs smoothly and stress-free for everyone.

### **What products do you use?**

I use a carefully selected range of high-end professional products chosen for their longevity, skin-friendliness, and photographic performance, ensuring your look stays flawless from the ceremony through to the end of the night.
