TESTIMONIALS

“Nicola from Goddess Makeup Design is not only a miracle worker but truly is a goddess with the most beautiful aura.”

Her talent goes way beyond just makeup and hair styling; she has a way of making you feel like the most worthy & beautiful version of yourself.

Not only did she craft the most stunning hair and makeup look for our elopement, but she also ensured it lasted through every champagne spray and teary-eyed moment, leaving me feeling like a true goddess myself.

Nicola's kindness shines through her work, making every interaction a joy. She effortlessly became the best hype girl, boosting my confidence and making me feel like royalty.

Most importantly, the magic she created made my 3-year-old daughter feel like she was part of a fairytale.

Nicola's attention to detail is impeccable, and she took the time to understand me, helped guide me when I wasn't sure, resulting in a look that surpassed our wildest dreams.

Her professionalism and friendly demeanor made the entire experience delightful, leaving us forever grateful for her expertise and the memories she helped create on our special day. Recommend 12/10!

Nicola, you are a weaver of magic ✨

We had never met, there was no trial but we didn't need one! From the first moment you really tuned in to who I am and made me feel and look more beautiful than I ever have.

My little girl loved her mermaid braid and makeup.

You're a gorgeous person and really set us up to have a magical day.

Thank you 💜🌟

- LAUREN D.

Thank you from the bottom of our hearts ❤️

We had so many compliments on our hair and makeup.
You were the best.
