With over 10 years of industry experience, I am confident in all styles of hair and makeup. My aim is to make you feel your best self on your wedding day, bringing your hair and makeup vision to come true. I am always on time and one click away if you have any questions.

On the day I travel to your location, with large bridal parties I bring an assistant to help get you all out on time.

You can book a trial with me prior to your wedding day, this is where we will discuss your hair and or makeup vision. You will hear from me what your best option for your dress, body and face shape, hair type and length. We will discuss hair extensions if you choose to have them and hair pieces. We will also talk about best colour and cut options before your wedding day, and skin care routine, to make sure you are looking your best.

On the day all hair must be washed and dry with no product!! please wash the day before unless hair is very oily. Making sure conditioner is rinsed well.

Faces are to be clean with non oily moisturiser. Airbrushing and lashes is provided and optional, and included in the prices below.
