Kind Words from Chantelle & Andrew

"Tania and the band were incredible and exactly what we wanted for our wedding. Tania and Shelley were warm, friendly and professional to deal with in the lead up, they were flexible and open to all of our ideas for our wedding.

Will was also our MC for the reception and he was fun and very professional, got the running order perfect and pronounced everyone's names correctly. The band were exceptionally talented musicians, the songs matched the feel of the wedding and by the end of the night they had all our guests dancing. We cannot thank you enough Tania and team. xxx"

Kind Words from Deana & Troy

"Shelley and Tania were incredible to deal with and made me feel so comfortable having them take care of such an important part of our day. From our first emails, to sitting down and meeting for coffee and a chat I knew we were in the best hands.

Shelley created the most perfect song selection with us and sang each one so beautifully during our ceremony, we were all captivated in each moment. Absolutely flawless professionals and incredibly kind people, it's so important to have complete trust in your vendors on your wedding day and I was so grateful to have Shelley taking care of our ceremony entertainment."
