SOLO ACOUSTIC
WEDDINGS · CANBERRA

Hey, I'm Josh. I'm a Canberra musician, originally from the east coast of Canada, the Maritimes, where music was just part of life. Less a performance, more everyone gathered around a table, playing and singing late into the night. That's the feeling I bring to a wedding: warm, easy, and genuinely present, rather than a set list being worked through. I play live acoustic across the whole day, and I can MC too, if you'd rather not juggle an extra vendor.

THE SOUND

I cover folk, pop, alternative and traditional songs with an east-coast Canadian thread running through. A set might swing from Michael Jackson to Death Cab for Cutie, or Whitney Houston to Linkin Park, tied together by strong vocals and arrangements that quieten a busy room. The Dubliners share the night with familiar favourites, and the odd original finds its way in too. Whether your moment calls for a tender ceremony song or an upbeat set that gets a few people up, it's all played live and meant.

WHAT COUPLES LOVE

A SIGNATURE SOUND

RELIABLE, PROFESSIONAL AUDIO

Quality Maton guitar and a Bose L1 system that sound clean whether it's an intimate garden or a louder reception.

New here, and looking after my first 10 couples

I'm just starting out on Easy Weddings and building up my reviews, so I want to make it easy for the first couples who take a chance on me.

- ♪ 10% off your package
- ♪ Your aisle or first dance song learned & arranged, on me (normally \$80)
- ♪ Book before 30 September 2026 and the discount's yours, even if your wedding's further down the track

All I ask in return is an honest review afterwards. If I've done my job, it's an easy one to write.
