## GLOSSARY

---

Audio Production	<i>All bookings include the supply and set up of audio equipment for up to 80-100 people including a PA, mixing desk and microphones. Wireless microphones not included.</i>
Audio Technician	<i>An additional audio technician to assist with relocation, extra audio production set up, live mixing and tech services throughout your event compulsory if guests in attendance exceed 130 people.</i>
DJ Services	<i>The mixing of recorded music to create and sustain atmosphere or maintain a Dance Floor.</i>
Extra Audio Production	<i>The supply of additional audio equipment necessary for 2 relocations or more, or if guests in attendance exceed 80 people.</i>
Live Music Call	<i>Charged @ \$400 per performance hour and \$100 per rest hour. <b>\$300</b> (45 minute performance = \$500 x 3/4 of an hour) + <b>\$25</b> (15 minute rest = \$100 x 1/4 of an hour) = <b>\$325</b> per live music call hour.</i>
PA	<i>See Audio Production.</i>
Portable Power	<i>Required when there is no access to power i.e. outdoor locations. Extra charges apply if extra audio production is required i.e. when guests in attendance exceed 80 people.</i>
Relocation	<i>The moving of musical and audio equipment between locations either within the same venue or between venues.</i>
Rest Time	<i>Time taken during Live Music Call hours to allow recovery and ensure optimal performance during which tech services may be carried out to assist in event formalities.</i>
