★★★★★ Katie & Wop | Wedding 2024

From start to finish Thomas was an absolute dream to deal with. Nothing was a worry for him or his band members - great communication, no fuss whatsoever, and always happy to help. We didn't leave the dance floor from the moment we walked in! They played every request and even offered to learn songs they didn't know. They were an absolute VIBE! We can't thank you enough for helping make our wedding the best day ever.

★★★★★ Louise & Shane | Wedding 2024

The VibeZ were absolutely fantastic. Tom created the perfect atmosphere during our ceremony before the full band took over and had the dance floor buzzing until the very end. Not only are they incredibly talented musicians, but they were also friendly, professional and so easy to deal with throughout the planning process. They truly made our wedding unforgettable.

★★★★★ Holly & Reg | Wedding 2025

The VibeZ were incredible and made our wedding night so memorable. They played music that suited both our younger guests and the older generations perfectly. Everyone was up dancing and wanted to stay on the dance floor all night because of how well they engaged the crowd. So many guests told us it was the best wedding they'd ever been to, and the music played a huge part in that. We couldn't recommend them more highly.

★★★★★ Jackson & Kate | Wedding 2024

We booked The VibeZ for our wedding and they put on an incredible show. Tom kicked things off with a beautiful acoustic set in the afternoon before the full band absolutely packed the dance floor later that night. They were a pleasure to work with from start to finish and we couldn't recommend them highly enough.
