Hi, I'm Jase!

I've been performing live music for over 15 years. Weddings have always been my favourite space — the vibe, the emotion, the energy that builds throughout the day.

I'm here to bring a calm, professional presence, with a genuine focus on making your day sound and feel exactly how you imagined.

Whether it's acoustic tracks for the ceremony, a smooth set through cocktail hour, or a high-energy DJ set to keep the party going — I'll curate the right sound for every moment.

Testimonials

“We had Jason play at our wedding, and we can't thank him enough! He brought such a vibe to our day and really helped set the tone for our micro wedding. Not only is he talented, but he's also incredibly professional and easy to work with. He made the time for us and helped bring our vision to life. Highly recommend!”

“Jase! Where do we begin.. Thank you so much for being part of our big day. It was a no brainer for Daniele and I when it came to choosing our entertainment for our cocktail hour. Your style of music matched our venue perfectly and we are so happy with how everything turned out.

There was no fuss and everything was so seamless. You were so easy to chat with, super easy going and made the process so enjoyable for us. Your style of music and voice is incredible and any one would be extremely lucky to have you as their wedding entertainment. You made our cocktail hour that much more enjoyable by having you and your talent present. Thank you from the bottom of our heart. We are so grateful for you, the person you are and your music.”

Jason was amazing at our wedding! He played and sang for our first dance, which made the moment even more special. Throughout the night, he kept the music just right, and our guests couldn't stop talking about how great he was. We're so glad he was part of our big day—thanks, Jason!”

Let's be honest — anyone can fake a Google review. All of the testimonials here are from real couples I've worked with, and you can see them for yourself over on my [Instagram](#), where I tag everyone I've played for. Real people, real weddings, real feedback.

Optional Add-On – Extra Acoustic Musician

From \$500

Looking to add more depth and dynamic to your ceremony and canapé sets?

I can bring along an additional acoustic musician to elevate the sound and atmosphere.

Whether it's a second vocalist, a guitarist, or another acoustic instrumentalist, the duo vibe creates a fuller, more layered performance for your guests to enjoy.

This option is perfect for couples wanting a richer sound while still keeping the relaxed, live acoustic feel.

Additional Song Requests

\$100

Your booking includes up to **two custom acoustic song** arrangements for key moments like your aisle walk or signing.

If you'd like additional songs performed live for other special parts of the day — such as a father-daughter dance or reception entry — I'm more than happy to accommodate.

With a wedding-ready repertoire of over 200 songs, there's a good chance I already know your favourites. If not, this small additional fee simply covers the time required to learn and rehearse your selections to a high standard.

Travel & Accommodation

Travel is included for all weddings within 60 minutes of the Illawarra.

If your venue is more than an hour away:

- Additional travel is charged at \$50/hour (round trip)
- For locations 3+ hours away, overnight accommodation will be required at standard market rates
- Everything is clearly itemised in your quote. No surprises.
