Wedding Live Music

Here's some more information for you!

Your wedding is the biggest party you will ever throw!

After doing this for a long time; I have learnt that *atmosphere is everything*, and am excited to work with you to plan the perfect entertainment for your special day. Here's some more info & ideas of what I've found works well best to make your wedding day completely awesome...

Wedding Ceremony

- **Pre-Ceremony:** 15-20 minutes of sweet pre-ceremony music sets the mood as guests arrive at the location. It also helps to gather your guests together.
- **Processional (Aisle Song):** A bespoke acoustic version of your chosen song for you and your entourage to walk down the aisle. A 2nd song is recommended for exceptionally large bridal parties.
- **Register:** A special song for me to play while you & your witnesses sign the marriage register.
- **Recessional (Bridal Party exit):** One song is chosen to accompany the Bridal party, commencing after the newly married couple are announced by the Minister/Celebrant.
- **Post-Ceremony:** 15-20 minutes of sweet pre-ceremony music sets the mood as guests arrive at the location. It also helps to gather your guests together.

Afternoon Entertainment

- **Post-Ceremony/ Afternoon Canapes:** Live entertainment while the Bridal party is having photos taken and canapes/drinks are served, sets a fantastic atmosphere for your guests! This is my favourite part of the day as a good atmosphere is everything! I play a mixture of old & new wedding appropriate songs to accommodate for the full range of your guests.

Reception Services

- **Dinner live solo acoustic entertainment** sets a beautiful atmosphere for the beginning of your reception. Performance is usually separated into sets of 30-45 minutes as to work around your formalities & not become monotonous for guests.
- **Special items for Bridal Waltz (First Dance) &/or father-daughter, mother-son dance.**
- **Live Duo/Trio/Band performance** to start the dancefloor (usually to build up for the DJ to take over). I can provide different instrumentation line ups from percussion & bass, up to a full party band with horn section. This option incurs an extra fee for additional performers.
- **Master of Ceremonies (MC)** – I also provide MC services & am happy to work with your DJ to facilitate a smooth & completely awesome reception.

Live Music Performer

Choosing your music and special requests

I advise couples to attend a public live performance of mine before their wedding to get a feel for what I do. I am more than capable & happy to learn any special song requests for your special day. To assist with the preparation, all music requests must be chosen at least one month prior to your wedding date so that I have sufficient time to perfect the songs for you.

What I require on the day

I arrive 1-2 hours prior to the agreed start time, and will require access to the performance location to set up PA system, sound check & prepare musical equipment. I will also need to discuss music cues with the Minister/Celebrant or wedding coordinator for the processional, signing of the register, and the recessional.

Power

If power is not available on site, I can provide a generator to power my full PA set up, for an additional fee. I don't recommend use of battery powered speakers for live music as they don't sound great, and your wedding ceremony should be nothing less than great.

For outdoor weddings, please always consider a wet weather option! as inclement weather or adverse conditions are likely to damage instruments/equipment and can influence the possibility of the performance not being able to go ahead due to safety risks to myself & your guests.

Pricing

Once you've decided what entertainment services you would like for your special day I can provide a quote for you! Your Quote will include Entertainment, Professional Sound /Lighting Equipment hire, set up & pack down, Time spent learning any special song requests & travel.

*Please note that due to high demand during peak wedding season I do require a minimum spend of \$1100 to secure your booking. Bookings are confirmed upon receipt of deposit (details will be provided on your invoice).

I really look forward to working with you to achieve the perfect atmosphere on your special day! Please do not hesitate to ask any questions or discuss the above options further!

Kindest regards,
