# MEET OSCAR

## YOUR PHOTOGRAPHER FRIEND

Welcome! I'm Oscar, the heart behind Elohim Studio, where I bring a blend of passion, experience, and faith to every wedding I capture. With 8 years of professional photography under my belt, I specialise in telling love stories through timeless, authentic, and heartfelt images.

I believe every couple deserves more than just photos—they deserve memories that reflect their unique journey. My goal is to create a relaxed and joyful atmosphere during our sessions, ensuring genuine emotions and connections shine through.

Your wedding day is sacred, and it's my honour to preserve these precious moments for you to cherish forever. Together, we'll create memories that celebrate your love story forever.

Let's make magic together!

Warm regards,

*Oscar Chan*
