

Welcome to Capital Photography !

I'm Christopher, and I am committed to providing outstanding Wedding Photography to happy couples in the Canberra & Southern Highlands region.

When it comes to capturing your big day, my aim is to provide you with beautiful photographs that you can cherish forever. My style is relaxed, artistic and professional. I'll take a documentary approach and capture candid moments as they happen.

This brochure explains package & pricing and hopefully answers some questions you may have.

Enjoy !
Christopher Hayes

PRICING

From preparation candids to the end of the reception. This is the standard package that covers the entire day. To begin I will meet with you both and discuss your wedding photography requirements and ideas. Once we move forward we can meet at your venue or other photography locations as we approach your wedding date.
