GREG TAYLOR PHOTOGRAPHER

Organizing your wedding can be a daunting task so I appreciate your trust in me. I will work with you in creating a shoot plan and timing schedule to make your expectations & memories a reality.

If you love my photos and know that I can give you the beautiful outcome you want, then please don't be scared to pick up the phone and give me a call.

Im not pushy in any way and the best way for me to help you and take away your uncertainties, is by actually having a casual chat and putting a plan in place for you!

F.A.Q.

WHAT HAPPENS IF WE HAVE TO POSTPONE DUE TO COVID?

Postponements have almost become the new normal but at the same time incredibly stressful. I pride myself on helping my couples reduce that stress, so if you need to postpone your wedding due to Covid or any other reason I simply transfer your booking fee to the new date and we carry on as if nothing happened. No stress, no additional charges, just ease and peace of mind in knowing that you're in safe hands.

WHEN IS THE BEST TIME TO BOOK?

I recommend booking all of your key suppliers such as the venue, celebrant and photographer as soon as you've made a decision on your date. There is absolutely no pressure to book but most suppliers work on a "first in" basis.

HOW DO WE BOOK IN?

Just click on the BOOK NOW button on the final page and send me a quick email to say you want to book in or meet with me or simply give me a call on 0401 948 055.

DO YOU CHARGE FOR TRAVEL?

There is no charge for any weddings within a 100km radius of the Gold Coast. Travel charges do apply to areas outside this and International destination weddings.

HOW MUCH RETOUCHING IS INCLUDED?

I am a believer in "INVISIBLE PHOTOSHOP" which means all of your images will be retouched in some form but they will all look completely natural, nothing cheesy and not overworked so you'll look amazing in all of them.

DO WE NEED TO MEET WITH YOU FIRST?

It's not necessary to meet with me prior to booking but I do recommend at least one meeting prior to your wedding. Having key wedding professionals onboard whose personalities you enjoy is so important! We spend the whole day with you and share this amazing experience so it's a lot more fun when you can share it with someone you actually like!

HOW LONG WILL OUR PHOTOS TAKE TO COMPLETE?

Your photographs will normally be ready within 2-4 weeks of your wedding day. Albums are normally ready within 4-5 weeks of ordering.

CAN WE GIVE YOU SOME PHOTO IDEAS WE LIKE?

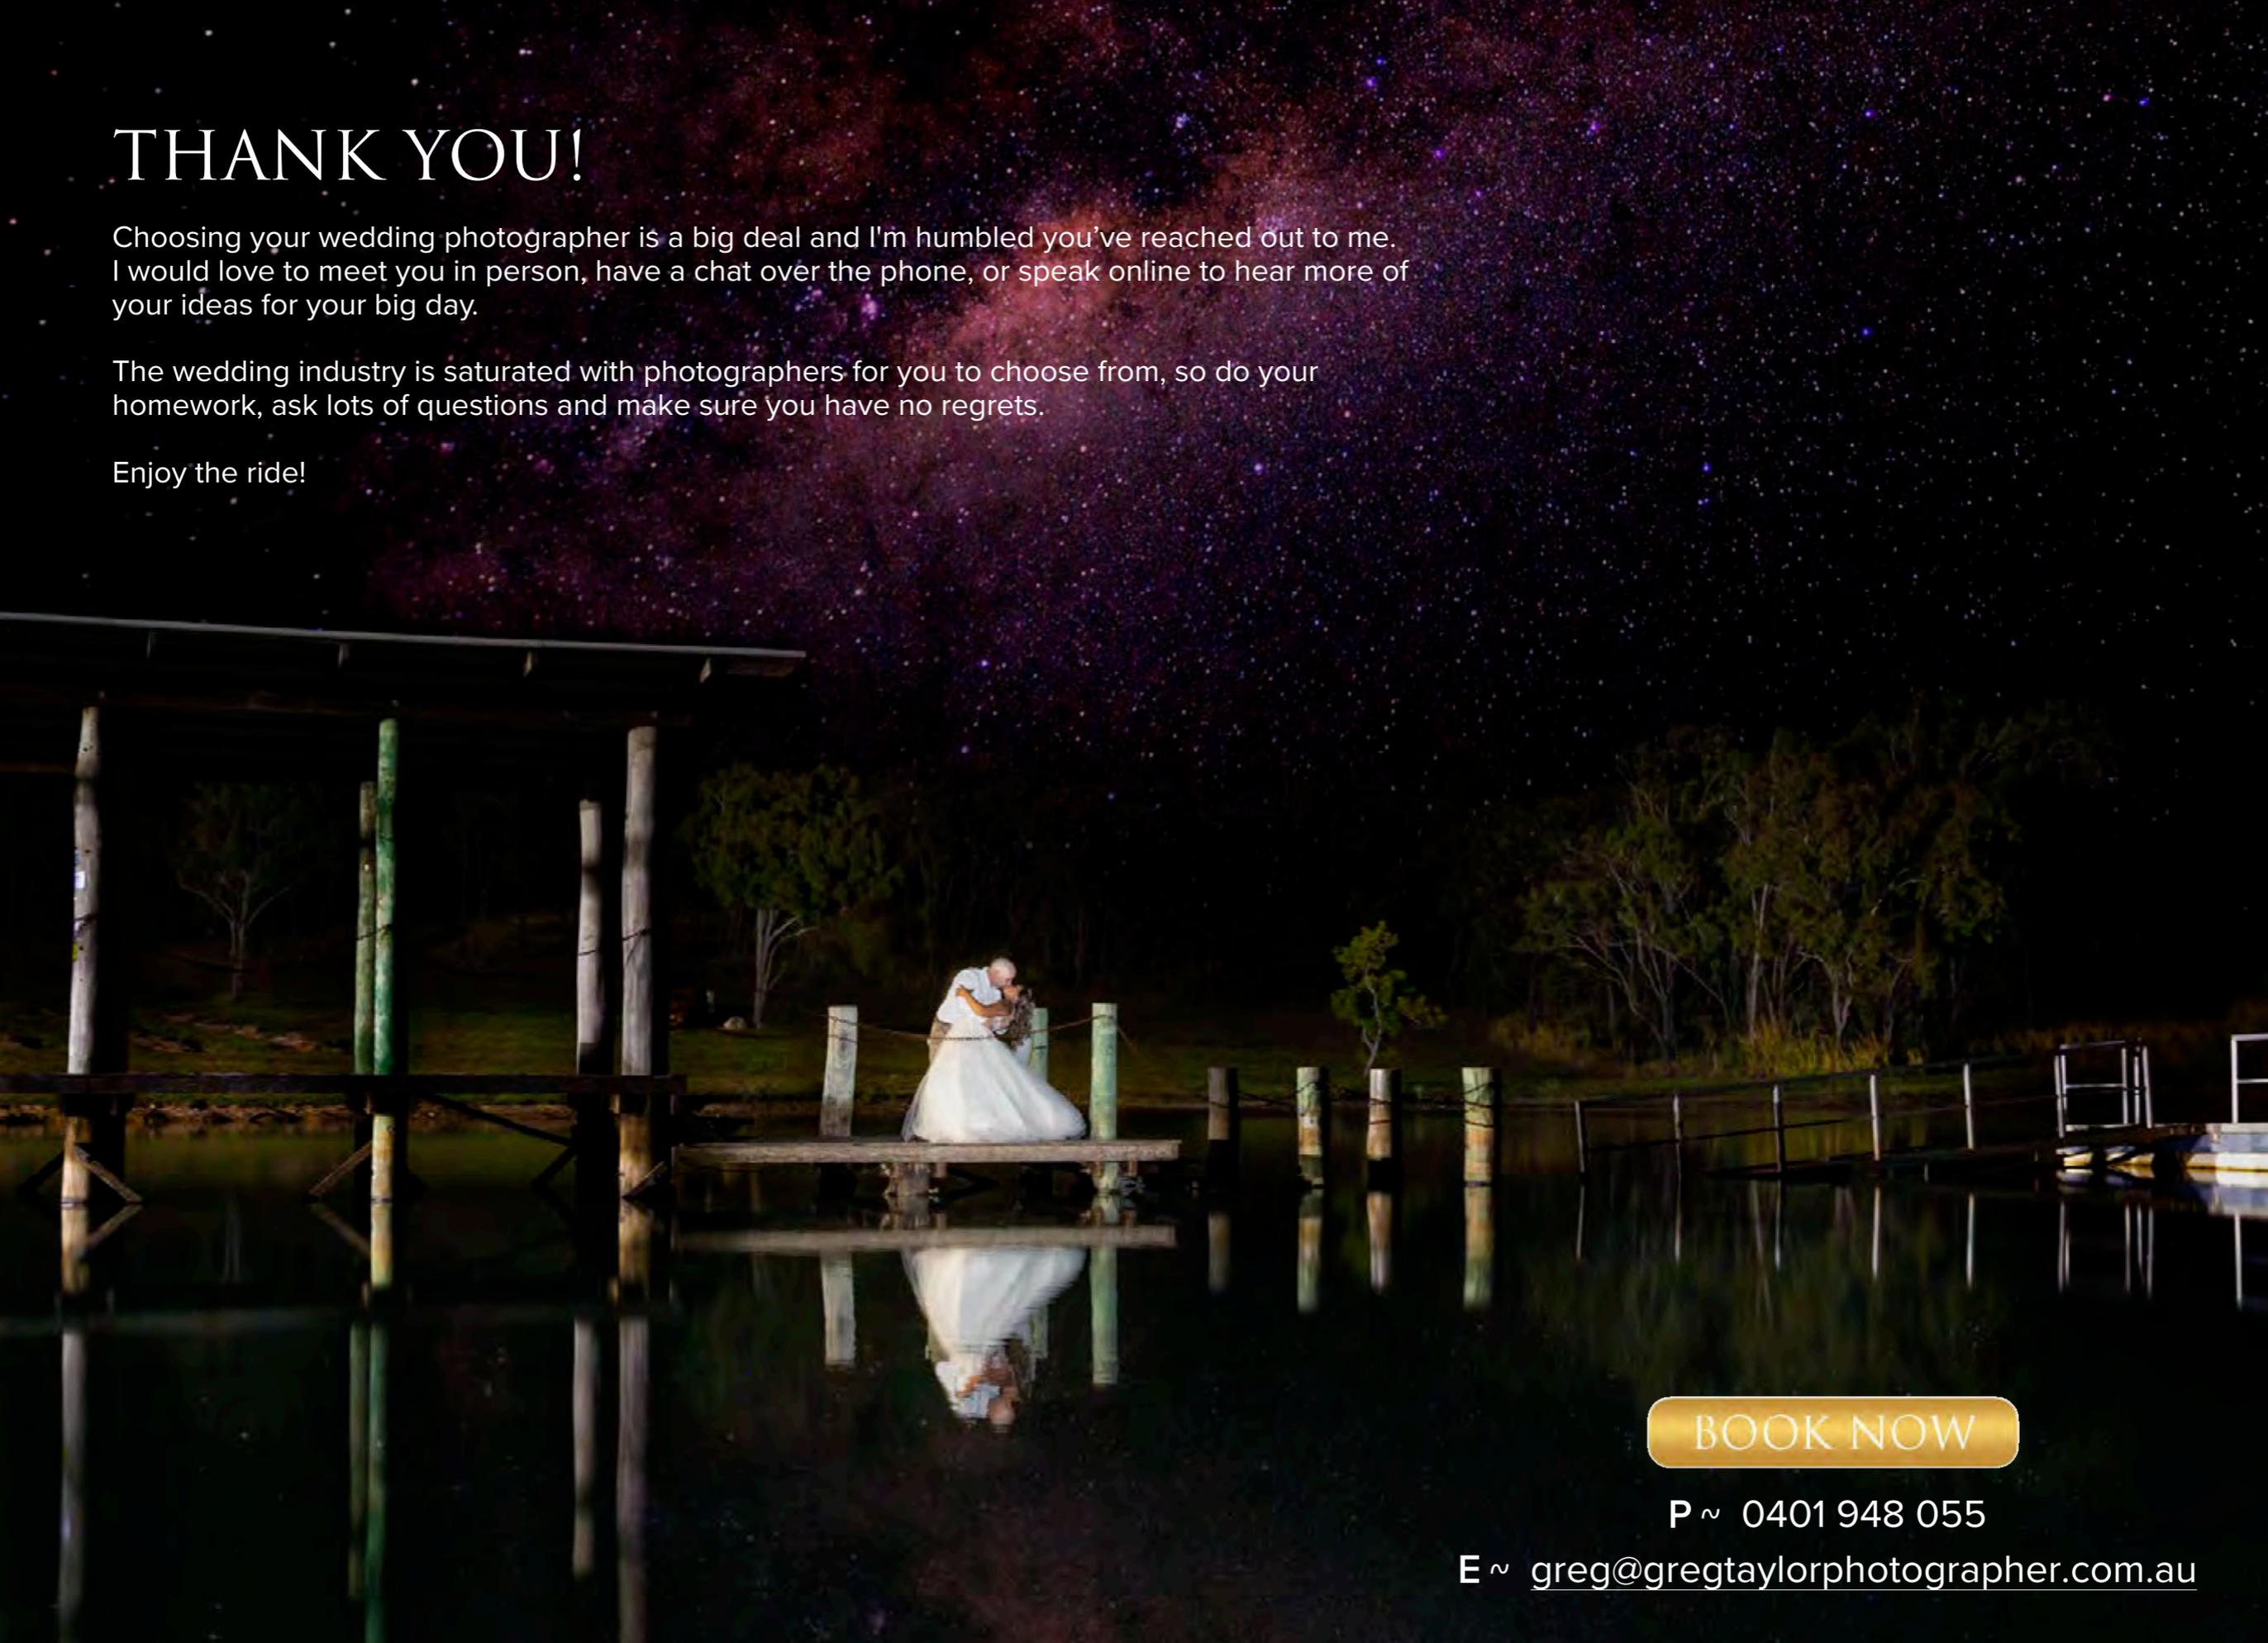

Yes absolutely, I encourage you to do so. I don't like to directly copy photos but we can modify your idea so we create a photograph that's unique and that others will want to copy!

THANK YOU!

Choosing your wedding photographer is a big deal and I'm humbled you've reached out to me. I would love to meet you in person, have a chat over the phone, or speak online to hear more of your ideas for your big day.

The wedding industry is saturated with photographers for you to choose from, so do your homework, ask lots of questions and make sure you have no regrets.

Enjoy the ride!
