CONGRATULATIONS

AND THANKS SO MUCH

Thanks so much for getting in touch about your big day – massive congratulations to you both. You've got a bloody good adventure ahead, and I'd love to be there capturing it as it unfolds.

I'm all about the real stuff – the laughs, the nerves, the tears, the stupid jokes, the quiet moments no one else notices. Nothing staged, nothing cheesy, nothing forced.

My job is simple: tell the story of your day exactly how it feels, so when you look back, you're right there in it again – the atmosphere, the people, the energy, all of it.

Why I'm Bloody Keen to
SHOOT YOUR DAY

From the quick sneaky looks to the big bloody laughs and the wild dance floor chaos, I'll be right there grabbing it all. The moments everyone else misses?

Yeah – those are my favourites, and I won't let 'em slip past.

If you want me to blend in and quietly shoot the day as it happens, easy.

If you need someone to yell out, round up the mob, and get the big group shot done without stuffing around, I can do that too.

Whatever the day throws at us – I'll keep things chilled, keep things moving, and make sure nothing gets missed.

Every photo you get is made with proper care and intention – no half-assed work, ever.

At the end of the day, I want you to look back and feel the whole thing again...

the love, the energy, the stupid jokes, the nerves – the stuff that actually matters.

I've always been drawn to the real stuff – the unfiltered, honest connections between people. The quick looks, the quiet moments, the little bits of magic most people miss... that's the good shit. That's what actually matters at the end of the day.

It's why I love street photography too – chasing those raw, blink-and-you'll-miss-it moments out in the real world.

Weddings are packed with the same energy, just with more emotion, more people you love, and way more meaning.

Getting to capture that for you – to freeze it so you can look back years from now and feel it all again – that's something I never take lightly.

I might be a tradie, but when it comes to this, I'm all heart. I'm keen as hell to hear what you've got planned.

Let's make your day unforgettable.

SECOND SHOOTER

+ \$1000 FOR A SECOND SHOOTER

THE PERFECT SOLUTION TO COVER MULTIPLE LOCATIONS OR BIG WEDDINGS.

As much as I'd love to clone myself and be in two spots at once, it's a lot easier to get extra coverage if you choose to have a second shooter on the day.

A second shooter is a great option if:

- You've got a big guest list and want extra coverage of all the action
- You and your partner are getting ready far away from each other at the same time
- You'd love photos of the ceremony and reception setup before guests arrive

Basically, the second shooter will act as my wingman (or wing woman), doubling the coverage of your wedding and adding even more variety to your gallery. It's not essential, but it's an awesome way to capture your day from every angle.

\$500 FOR YOUR ENGAGEMENT SHOOT

How many professional photos do you and your partner really have—the kind you'd love to frame and fill your home with?

An engagement shoot is the perfect chance to create those. We can keep it relaxed and outdoors, or go all-in with a full studio session using my professional setup—backdrops, lighting, the works—so you walk away with stunning, high-end portraits.

It's also a great opportunity to get some amazing shots for your wedding day—think prints for your reception, or even images for your wedding program or invitations.

And if being in front of the camera makes you nervous, this is the ideal time to warm up and feel comfortable before the big day. Either way, we'll have a lot of fun creating something special.

WEDDING ALBUMS

Made from the highest quality materials and fully customisable to your liking, I'll craft and bind your favourite photos into a fine art wedding album. We'll work together to weave a story and create an album design that you're absolutely in love with.

Simply select your must-have wedding images and I'll get the ball rolling. If you're not sure where to start or simply can't decide, I'll be more than happy to help you pull it altogether.

You'll be flicking through this album for years down the track, reliving your special day all over again, so let's make sure it's perfect!

FAQ'S

WHERE ARE YOU BASED?

I'm based in Hobart, Australia, but I travel to capture love.

DO YOU PHOTOGRAPH INTERNATIONALLY?

I sure will! Nothing excites me more than the chance to shoot a destination wedding or elopement.

If you're thinking of taking your celebrations overseas, please get in touch so we can chat about the finer details.

DO YOU PHOTOGRAPH ELOPEMENTS?

If you and your partner are thinking of skipping the fuss and running off to do a private ceremony with just the two of you or a handful of your nearest and dearest, I'd be absolutely honoured to document your intimate ceremony.

Our elopement packages start at 4 hours coverage, so get in touch if you'd like to learn more.

HOW MANY PHOTOS WILL I RECEIVE?

You'll receive at least 600-800 photos, depending on how many hours we shoot and how jam-packed your wedding day is!

HOW WILL I RECEIVE MY PHOTOS?

Firstly, I'll send you a handful of sneak peek shots a couple of days after your wedding. 4 weeks later, you'll receive a link to your online gallery and slide show to watch and relive your wedding day.

HOW LONG WILL IT TAKE TO RECEIVE OUR PHOTOS?

It will take roughly 4 weeks to receive your final wedding photo gallery. I put a lot of love and care into perfecting each image, which is why it'll take me a little bit more time to deliver your final images. If you'd like your photos sooner, please ask me about the rush fee.

WE DON'T WANT OUR PHOTOS ON SOCIAL MEDIA

This is your wedding and if you are uncomfortable with your photos being shared on my social media platforms, I will respect that.

WHAT HAPPENS IF DISASTER STRIKES?

This has never happened and will NEVER happen. However, if it did, I have contacts that will be able to step in. These are other talented photographers who will take good care of you.

DO YOU HAVE A PAYMENT PLAN?

Yes, we can absolutely arrange to split your payments into four instalments. Just let me know if that works for you.

CAN I PRINT MY PHOTOS?

Of course, I'd love for you to print your favourite photos! You can easily order photos prints through your online gallery.

WHAT IF I HAVE TO CANCEL OR MOVE MY BOOKING?

Life is complicated and the unexpected is to be expected. The deposit is non-refundable as this helps to protect my business due to turning away all other bookings for your wedding date. I hope you understand that deposit is insurance for my business to stay afloat in the event of a cancellation.

DO YOU HAVE ANY VENDORS YOU RECOMMEND?

Yes, from my experience in the wedding industry I have come to work with some of the top wedding vendors. I have listed some of the stand out vendors on my website.

If you would like a specific recommendation, just reach out and I'm sure I will have some suggestions I can send you.
