Wedding Packages

Vizia Photography is owned by sisters Aggie and Kasia. We are passionate about capturing memories and not just taking photos. We believe that photography should display the emotion, the passion, and the fun of your day. Our photography will be customised to suit your needs and desires and can be highly stylized, completely natural and candid, or a mixture of both.

For us, photography is not a job. It is a passion.

All packages include the following, and do not incur additional fees:

- Unlimited HD photographs, all professionally edited
- All photographs provided in colour and black and white
- Digital HD photographs provided on wooden USB in a wooden presentation box

Romance Shoot

Engagements, Anniversaries, or just because. You don't need an excuse to immortalise your love for one another with beautiful photographs!

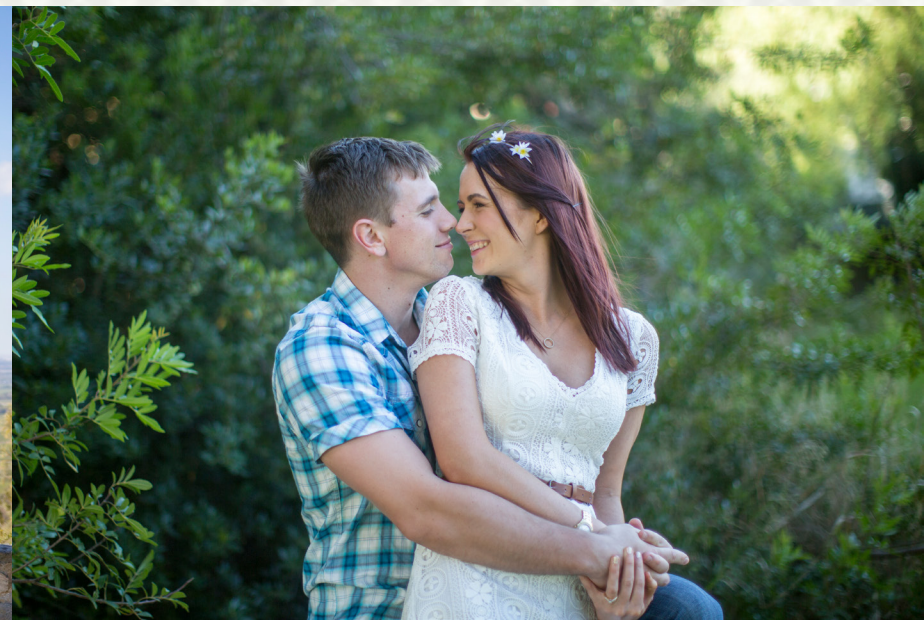

Our romance package includes:

- An entire hour of photography and a location of your choice
- Up to 50* HD Photographs, all professionally edited
- All photographs provided in colour and black and white
- Digital HD photographs provided on CD or USB

And you get all of this for only \$300.00!

*50 Photographs approximate, based on optimum lighting and weather conditions.

Please note, the above pricing does not include excessive travel outside of Adelaide.
