## MEET US

The Team Behind the Lens

---

At Moment Makers Media, we're more than just photographers and videographers—we're a creative couple with a shared passion for storytelling. Together, we bring over 20 years of experience capturing weddings across Iran, Turkey, Cyprus, and now, proudly based in Perth since 2024.

We are a husband-and-wife team who work side by side to deliver a seamless, hybrid experience—capturing both photo and video simultaneously to ensure every emotion, every glance, and every moment is beautifully preserved. Our unique dynamic allows us to work intuitively, knowing exactly how to complement each other's strengths while ensuring nothing is missed.

We're often joined by one or two trusted assistants depending on the size and flow of the wedding day. Every person on our team shares the same commitment to quality, storytelling, and making our couples feel completely at ease.

Our approach is personal, professional, and deeply intentional. We don't just show up with cameras—we invest in your story, your culture, and your style, crafting timeless memories with care and creativity.

We can't wait to meet you, hear about your journey, and help bring your vision to life—with the lens, the light, and a lot of love.

AUGUST 2024

Farhan went above and beyond to document our special day. He arrived early and stayed late till after the reception. He took the time to make us comfortable in front of the camera. He even gave us tips to relax so the pictures looked more natural. He had a private location for the photo shoot and the pictures turned out great. The editing to highlight natural light was spot on and we loved our final portfolio. He's really friendly and warm and a hit among our guests. We highly recommend him.

## WHAT TO EXPECT

---

Your wedding is one of the most important days of your life—and we're here to make sure the experience is as smooth, relaxed, and beautiful as possible. Here's how the process works with Moment Makers Media:

### FREE CONSULTATION (BEFORE BOOKING)

Before anything is confirmed, we offer a complimentary consultation—either in person or via video call.

We'll chat about your wedding vision, the flow of your day, locations, our team setup, and what kind of imagery speaks to you. Since your photo & video team will be with you more than almost any other vendor on the day, it's important you know who you're inviting into that space.

### BOOKING + PAYMENT

After our consultation, we'll send through your personalised quote along with a contract and invoice.

- A 50% deposit is required to secure your date.
- Final payment is due one day before the wedding.

We are a full-time wedding studio, fully insured and committed to delivering an exceptional client experience.

### ENGAGEMENT / PRE-WEDDING SESSION

Once booked, we'll schedule a complimentary pre-wedding or engagement photo shoot.

We include this in most packages because after 20+ years of experience, we know how valuable this session is—it helps build comfort and connection, which always leads to more natural, beautiful results on the big day.

This 1-hour session also lets us test lighting, poses, and talk through your ideas. Location can be discussed together.

### FINAL PLANNING CALL (7–10 DAYS BEFORE)

About a week before your wedding, we'll connect again to review:

- Your wedding day timeline
- Family & group photo list
- Any special moments or creative ideas you want captured

### COMMUNICATION THROUGHOUT

From the moment you book until after your gallery is delivered, we'll stay connected via a private WhatsApp group.

You can share inspiration, favourite photos and videos, special requests, and more—it's the easiest way to stay aligned and make sure your vision is reflected in our work.

### DELIVERY TIMELINES

- Edited photos: Delivered within 2 months
- Edited video: Delivered within 4–5 months (at most)

## PRE-WEDDING SHOOT STYLE TIPS

WHILE IT IS GREAT TO COMPLEMENT YOUR FUTURE SPOUSE IN PHOTOS, BY NO MEANS DO THE TWO OF YOU NEED TO WEAR MATCHING OUTFITS.

IF YOUR OTHER HALF IS MORE COMFORTABLE IN SOLID COLORS, TRY CHOOSING SOMETHING WITH A LITTLE TEXTURES, PATTERNS ARE A GREAT WAY TO ADD CONTRAST TO YOUR IMAGES. BE CREATIVE, BE COMFORTABLE, AND BE YOURSELF

## WEDDING DAY TIPS

---

Gather all of your details together before i arrive so that i can photograph them quickly ! This makes the "Getting Ready" portion aof the day go by smoothly, and it allows me to spend more time focusing on the spontaneous moments that occur while eveyone gathers in anticipation of the wedding ceremony.

Here's brief list to generate some ideas : rings, ring box or pillow, jewelry, hair accessories, cultural items, invitations, programs, and anything else that you've put thought into and want to have documented !

---

## LITTLE DETAILS COUNT

Some of may couples favourite photos from their wedding end up being the detail shots that are taken throughout the day. Details help tie everything together and tell the story of your special day. If your wedding is low-key and has few costum details, dont sweat it; that's okay too !

THINK ABOUT GETTING A WOODEN OR SATIN HANGER FOR YOUR DRESS. THEY PHOTOGRAPH WELL AND ARE GREAT KEEPSAKES FOR YEARS TO COME

**" REMEMBER TO RELAX AND ENJOY THE DAY ! "**

Browse through some of our favourite wedding photos and highlight videos to get a sense of our style, storytelling approach, and the genuine emotion we love to capture. Let these moments inspire your own.

## FREQUENTLY ASKED QUESTIONS

Answers to all of your photo - related questions

---

### Do you offer both photography and videography services?

Yes! We specialise in both photography and videography—and often work as a hybrid team. This allows us to capture your day from multiple perspectives with perfect coordination between photo, video, and even drone coverage.

### How far in advance should we book?

We recommend booking as early as possible—ideally 6 to 12 months in advance, especially for popular dates. However, feel free to contact us anytime to check availability.

### Are you fully insured?

Yes, we are a full-time, fully insured wedding studio. We also hold the necessary drone licences and public liability insurance, which many venues require.

### Can we customise your packages?

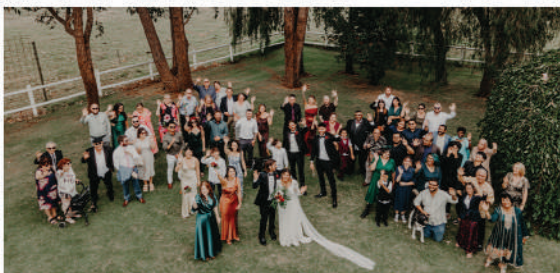

Absolutely. All our packages can be tailored to suit your wedding day needs. Whether you need extra hours, an album upgrade, or combined photo and video, we're happy to create a custom package.

### Do you travel outside Perth?

Yes, we love to travel! We're based in Perth, but we've worked across Australia and internationally. Travel fees may apply depending on the distance and location.

### What is your approach on the wedding day?

We blend natural, documentary-style storytelling with artistic direction when needed. Our goal is to make you feel comfortable while capturing candid moments, meaningful details, and emotional highlights.

### When will we receive our photos and video?

- Photos are delivered within 2 months of the wedding.
- Videos are delivered within 4–5 months, depending on the project and time of year.

## HAVE ANOTHER QUESTIONS ?

Send me a message ! I'm happy to help !

### Can we request specific shots or styles?

Of course. We'll discuss your preferences during our planning meetings and final consultation. You can also share a shot list or inspiration in our private WhatsApp group.

### What happens if your camera breaks ?

All of our cameras, flashes and lenses have back-ups in the rare event that anything should happen to our equipment. The wedding day will go on, and you'll never know that anything happened (unless you see me crying over my beloved camera), because your day will still be beautifully documented.

### Are the couples on your site models ?

Nope ! While I've been lucky enough to work with gorgeous couples, the images shown in this brochures, on my website, and on social media are regular, paying clients.

### What happens if it rains or the weather changes?

We always have backup plans and are happy to adapt on the day. For engagement sessions, we can reschedule. For weddings, we'll work closely with your coordinator or venue to adjust and still make magic—rain or shine.
