## MEET JOHN

---

I'm John, the owner & principal photographer of Dreams Photography. I love being able to share in the love of two individuals and feel blessed to get to work with such wonderful people each day!

Based out of Sydney, NSW, I've been shooting weddings for over twenty five years now. There isn't a day that goes by that I don't have my camera and tripod in-tow.

After graduating from The New York Photography Institute with a Diploma in Photography and Cert in Wedding photography, I started documenting weddings for next to no money, just to start building my portfolio. I've worked in the fashion industry and film industry providing photography services in the UK and US. In 2000, I started my own studio in OZ. It has been a long journey with lots of struggles and bumps along the way, but I couldn't be more thankful with where I am now with my business.

Get comfy as you browse my work!

## YOU HAVE QUESTIONS

---

Q: What sets you apart from other photographers?

A: With years of training under my belt, I know how to pose and guide clients to make them feel relaxed while looking their very best. I use natural lighting as often as possible and make sure my sessions are intimate & fun!

Q: What does "All Day" mean in your Packages?

A: It means we will be there, ALL day. there is no time limit within that day.

Q: How many photographers will be there at our wedding?

A: This varies based in the package, one for the more budget packages and two for the higher ones. You can upgrade any package to include a 2nd.

Q: Will my photos be posted publicly on your site or social media?

A: Yes, we love to celebrate your wedding day and this allows you to share them with family and friends. If you require privacy, we will remove you names completely (we only use first names, ever)

Q: Will our photos get featured in a magazine or blog?

A: While many of our sessions do get featured, this isn't something that is guaranteed. Most publishers are interested in uniquely designed weddings.

Q: Will you Photoshop my images to hide any unwanted spots, wrinkles, etc?

A: Minor edits will be made to all of your images, but I believe our imperfections are what make us beautiful & unique. If there are specific edits you want, these can be included in your Super edits or at a cost.

## I HAVE ANSWERS

---

Q: Do you have a list of preferred vendors to use?

A: Yes! From wedding planners to florists and caterers, we have worked with some of the best companies in the industry & would love to share their information with you!

Q: Do I have to order prints through you?

A: I highly recommend ordering prints through one of my professional vendors, but it isn't required. The difference in quality is huge when it comes to ordering through a professional lab, so I always love to help with prints!

Q: What equipment do you use?

A: I use all of the latest Nikon equipment. I always carry the D850 & Z6II, 50 mm lens, 80mm lens, 24-70 mm lens, & the 70-200 mm lens, among other items.

Q: Do you photograph destination weddings?

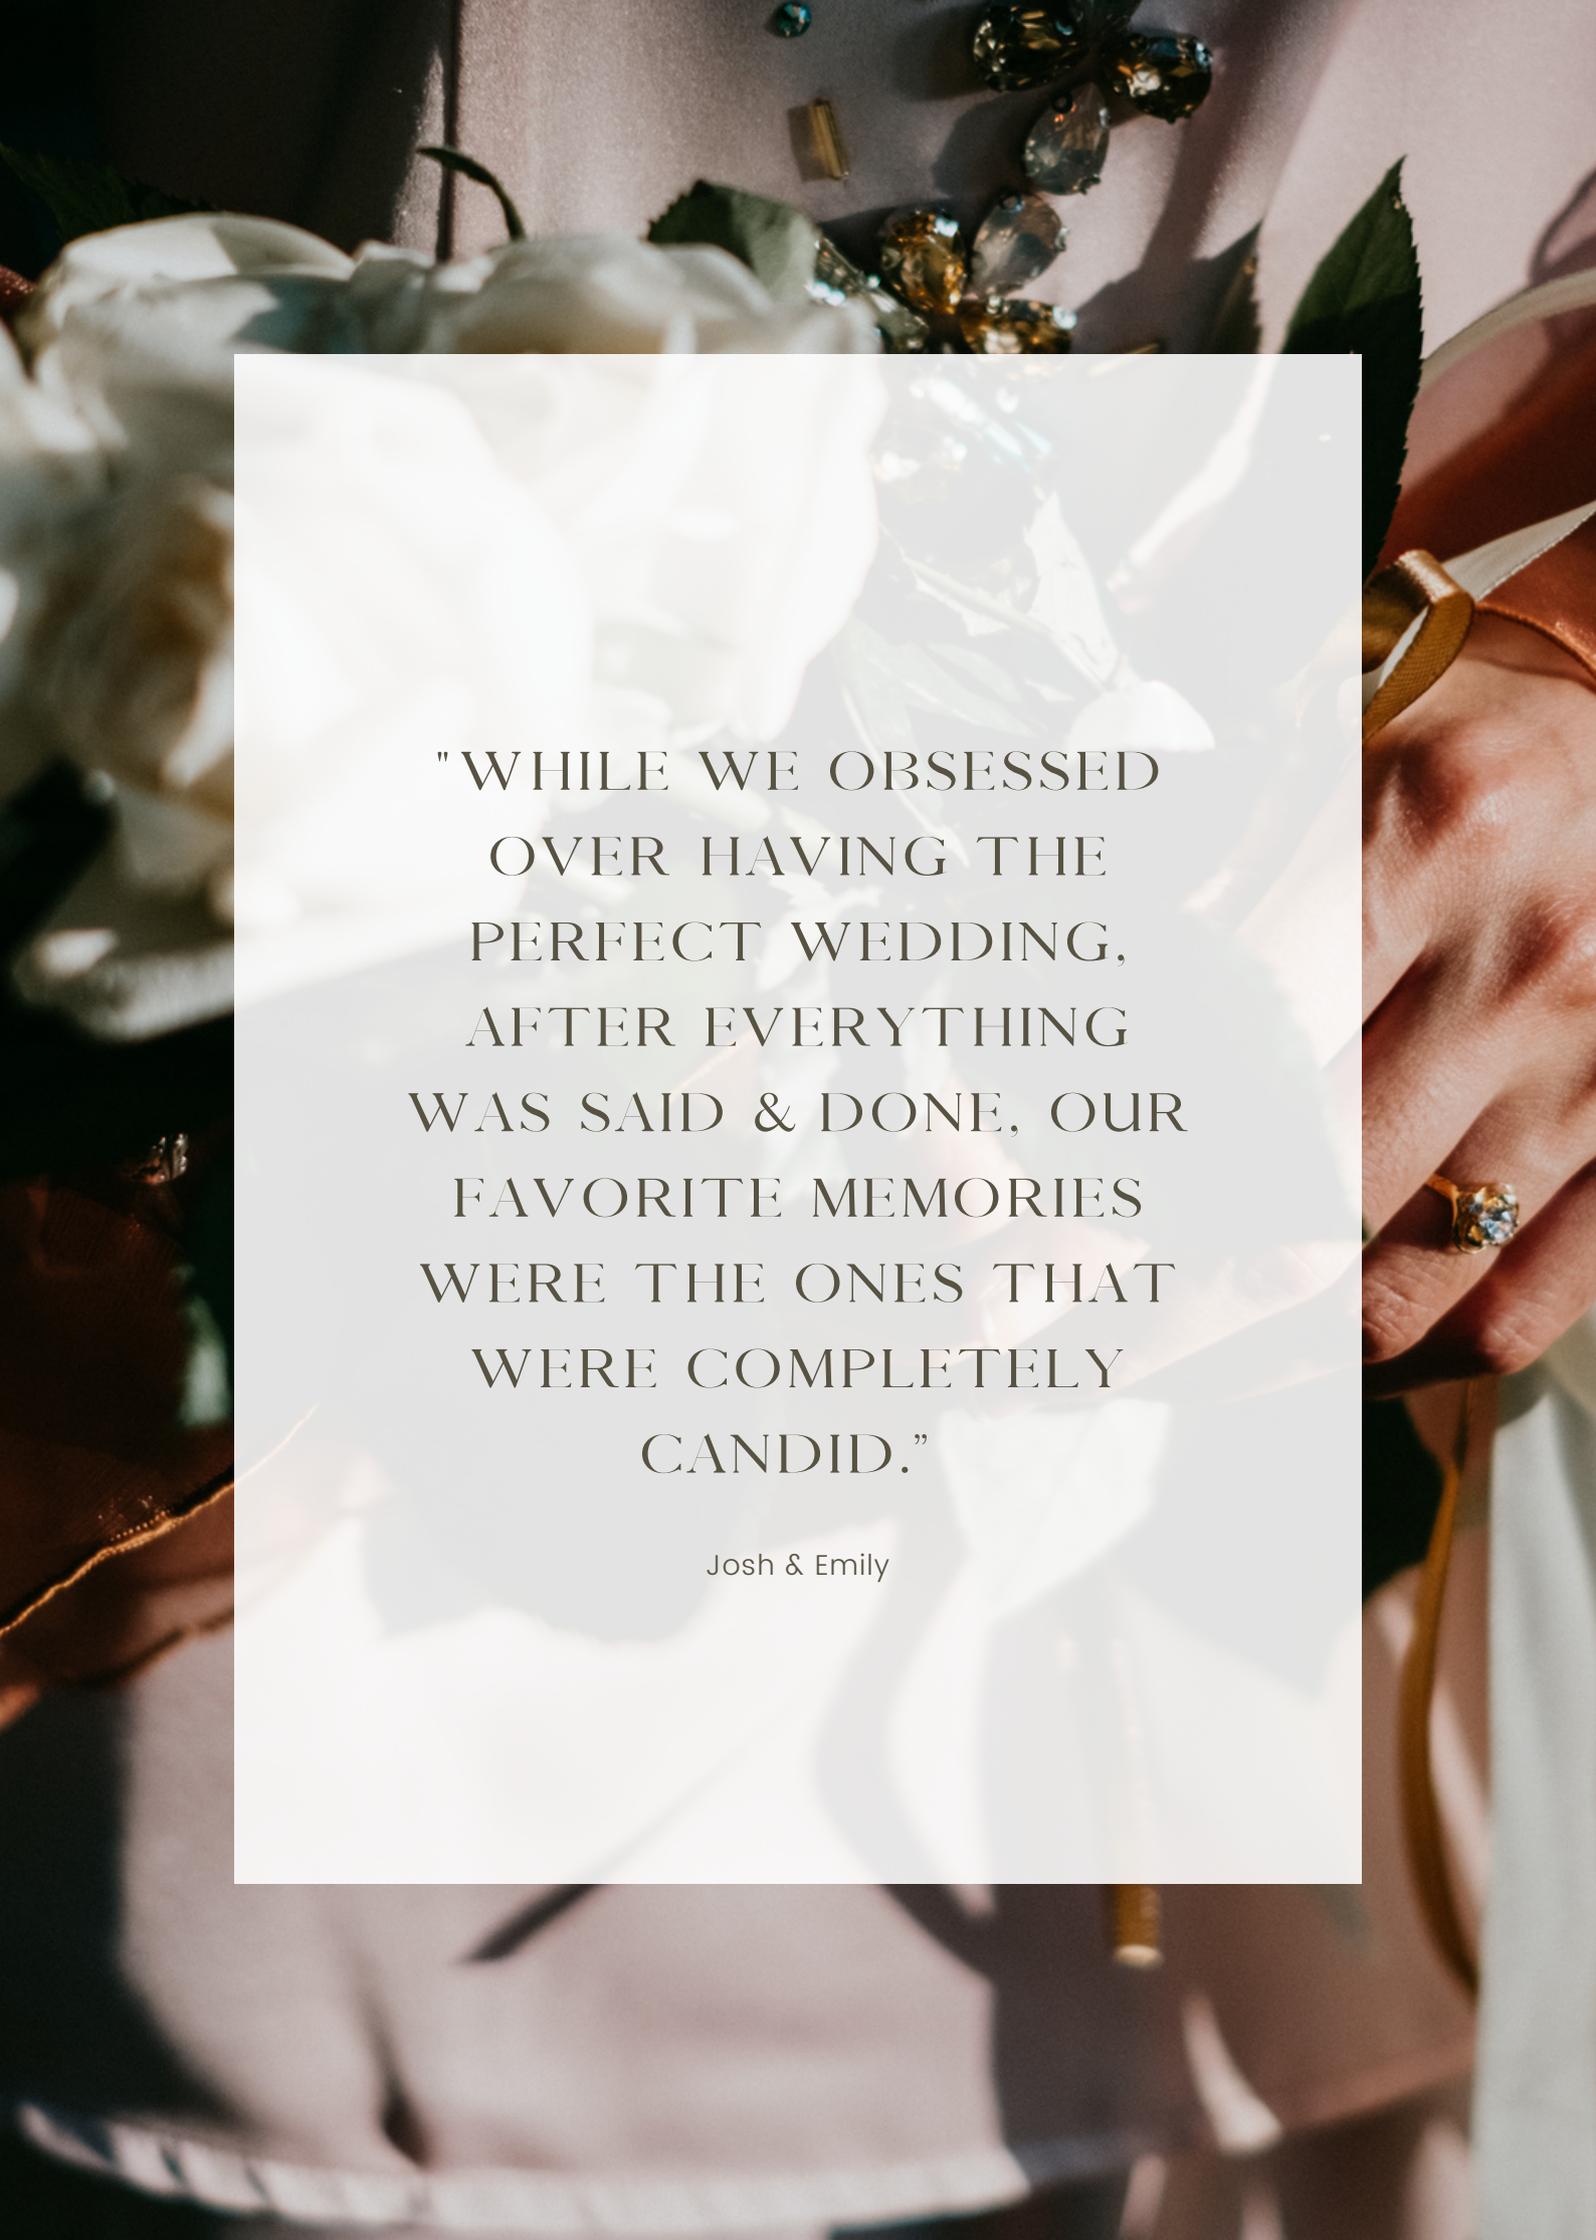

A: Yes! I've shot dozens of destination weddings and am more than happy to create a custom wedding collection to suit your travel needs.

Q: Are the people featured on your site models?

A: For the most part, no. While I am lucky enough to work with gorgeous clients, the majority of the images shown on my site and blog are of regular, paying clients.

Q: How do we reserve our wedding date?

A: A \$400 deposit & signed contract is required in order to get your wedding on the calendar. The remainder of your balance is due one week prior to your wedding.

"WHILE WE OBSESSED  
OVER HAVING THE  
PERFECT WEDDING,  
AFTER EVERYTHING  
WAS SAID & DONE, OUR  
FAVORITE MEMORIES  
WERE THE ONES THAT  
WERE COMPLETELY  
CANDID."

Josh & Emily
