# WHO BLOOM EVENT PLANNING IS

---

Hi, I'm Tayla, the heart behind Bloom Event Planning.

Event planning has always been more than just a job for me it's something I naturally gravitated towards. Long before Bloom existed, I was planning my own events, creating custom backdrops, styling spaces, and bringing ideas to life just for the joy of it. What started as a creative outlet quickly became a passion.

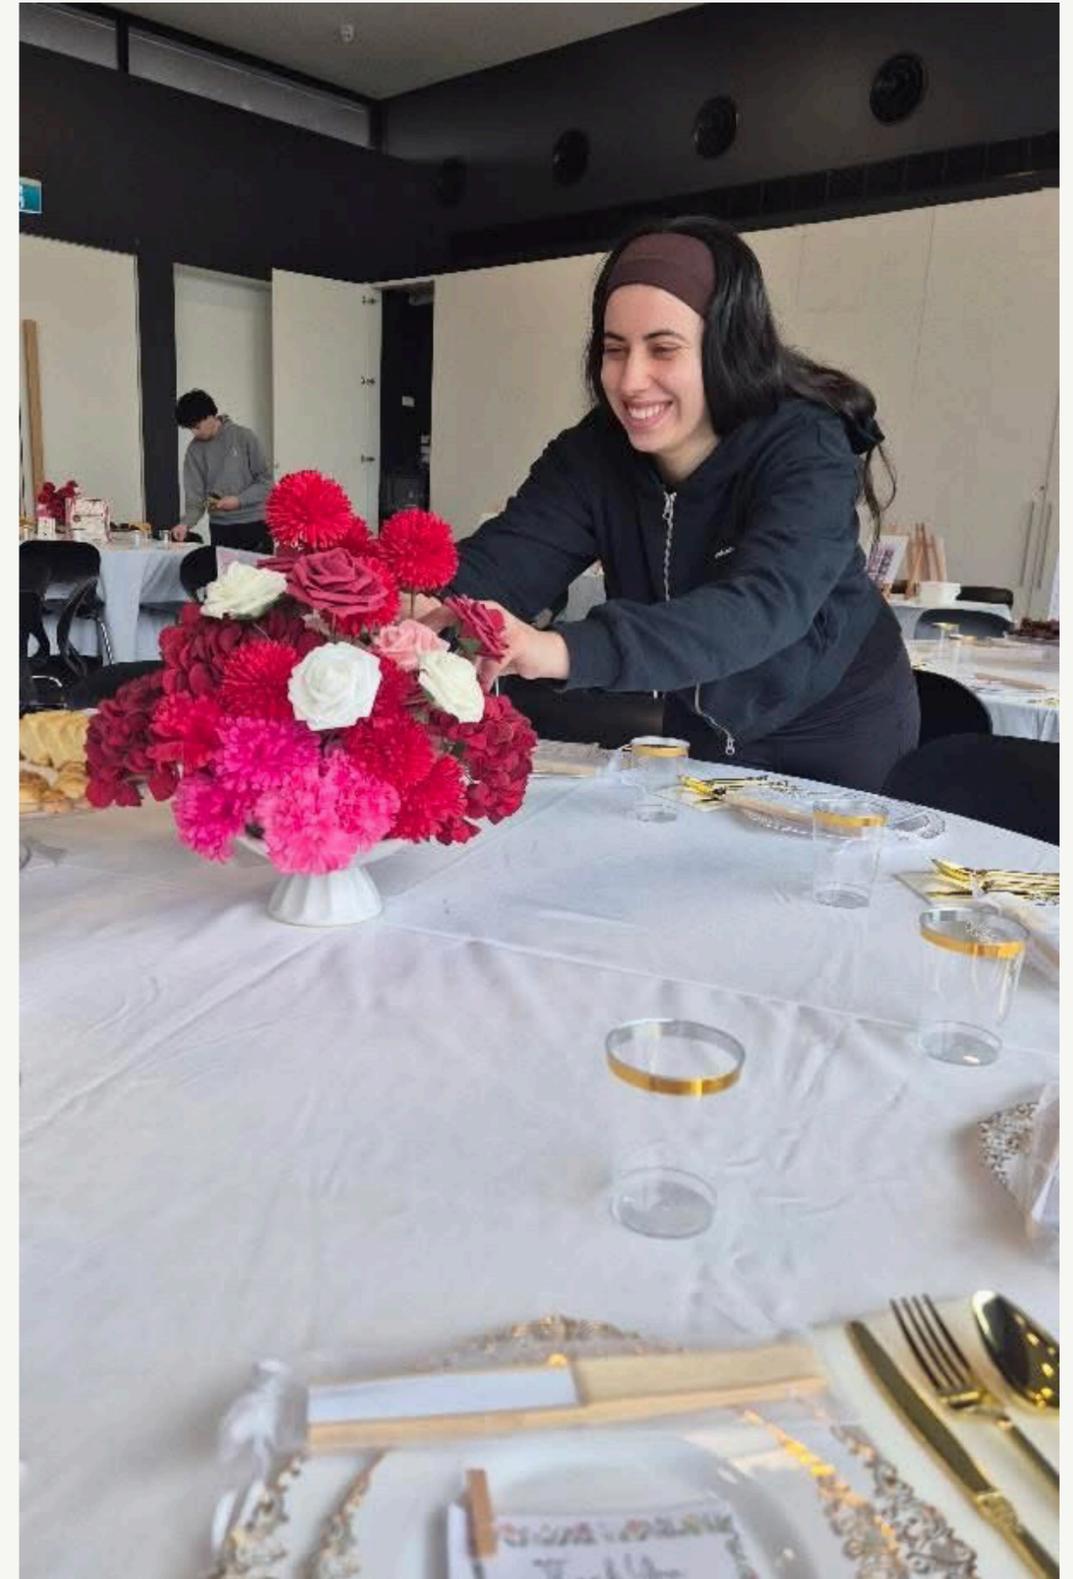

When it came time to plan my own wedding, I saw firsthand how overwhelming the process can be and how powerful it is to have someone you trust making sure every detail is taken care of.

That experience inspired Bloom Event Planning.

Now, I'm here to ensure your wedding journey is seamless, stress-free, and truly memorable. From the big picture down to the smallest details, I bring energy, organisation, and genuine care to every celebration I plan. I believe your day should feel like you beautiful, intentional, and effortlessly enjoyed.

At Bloom, my goal is simple:

to let you relax, be present, and soak up every moment – while I take care of the rest.
