Consultation and Planning Packages to help create
Your Dream Wedding

REAL EXPERIENCE

I planned my own Wedding in 11 Weeks.
Now I'll Help you Plan Yours.

With over five years in Corporate Event Management, I've always been passionate about creating seamless, unforgettable experiences.

I help couples craft luxurious, intentional, and stress-free weddings, ensuring they can savour every moment of their day with confidence and ease.

CONT.

WANT ✨ ADD ONS?

On the Day Support - up to 10 hours \$1,160

Support on the floor - who better than to assist with behind the scenes details than your planner who knows your event inside and out, back to front. Must be purchased with a package.

- 1x Consultation session before the day
- Setup supervision
- Problem solving on the day

RSVP Management

\$260

Don't want to be inundated with notifications and drama! Leave it to me, I will handle friendly reminders, guest lists and the running number tally
