PACKAGES

Full Service

Within a full-service wedding package, the clients are provided with assistance throughout all aspects of the planning process. From scheduling, budgeting, sourcing vendors and negotiating with them. We will be available to assist clients throughout the entire event and be available for regular contact with client as they approach their special day.

Wedding Day Coordination

If you're planning your own wedding but require someone to oversee vendors and wedding day activities. This is the perfect package for you. So you can relax and enjoy your special day.

Wedding Consultations

The wedding consultations package is for the couple who want to plan their entire wedding by themselves, but don't know how to or where to start. This includes a two-hour consultation to assist with planning a schedule, preparing a preliminary budget, recommendation of vendors and answering of any other questions.
