The Difference

WHY CHOOSE US?

We're focused on delivering a beautifully tailored service that adds to the meaning and emotion of your event. Right down to the ornate basket or cage our doves are presented in, we are mindful of the small details.

How Does It Work?

We lovingly breed, hand raise and train our pure white racing pigeons. All of our doves are trained to fly to their North Brisbane home after having attended your event.

(It is unethical to release true doves, as they fall prey to the environment and do not have strong flying capability. We use white racing pigeons which are descended from the Columba livia rock dove, bred for their ability to find their way home over long distances using magnetoreception).

We Provide

- Delivery of the Doves
- Attendant to set up & coordinate the release
- Suggestions for a poem/reading
- Use of the ornamental cages
- Pack up and return of equipment
