About us...

We are Dani and Valentina! A professional body piercer and tattoo artist with collectively 10 years of experience. Our mission is to create vibrant, welcoming spaces where clients, artists and brands come together to build meaningful connections and have unforgettable moments.

We believe in a tailored and personal approach to each client and event. We make your wedding our priority and provide a unique experience for your guests. We know that each space provides different challenges and we will work closely with you to bring your vision to life.

Logistics

We handle:

- Public Liability
- Health department requirements
- Partial marketing through our channels
- All equipment
- Qualifications include: First Aid and Infection Prevention & Control

We Need:

- A dedicated space to work in (roughly 2m x 2.5m)
- Access to a power point
- Access to the area at least 1 hr either side of the event for setup and packdown
- Rubbish disposal

For your guests:

- Custom flash sheets per event (upon request & discussion)
- Service discounts compared to shop pricing
- Simple, fineline tattoos & popular designs
- A range of piercing services & high quality jewellery options
- Streamlined process: digital consent forms, pre-made stencils, pre-sterile equipment
- Aftercare support post-event. All clients are encouraged to reach out while their tattoo or piercing is healing. We don't believe in a 'one and done' approach.
