Travel Charges:

Travel costs will be added to the performance fee and are charged at \$1.00 per mile using Google maps route planner mileage. We calculate the total return journey from our offices in Perth.

Overnight Accommodation:

If the event location is over a 3-4 hours travel distance or if the event has a late finish then we may require 'Budget' style overnight accommodation for our singers. This cost will be in addition to the set singing fees.

Rider Requirements

Basic refreshments would be appreciated at the event - such as bottled water, juice and a food platter (fruit, sandwiches etc)

If possible, a suitable secure room with a full-length mirror to be used as a changing area for the singers would be appreciated. We arrive 1 hour before guests and may have to wait 4 or more hours before performing.

Additional Requirements Information:

Access for at least 1 (one) vehicle (People Carrier) to loading/ unloading area -, to be within a reasonable distance of the performance area.

Provision of a power supply. We need standard 230V and 2 x sockets for a power board to plug in 4 wireless receivers AND the other for the PA SYSTEM. The supply must be properly regulated and grounded in accordance with all current electrical regulations.

Where the audience size exceeds 200 we may need to add additional PA . This will be subject to a charge.

Any alteration or deviation of these requirements must be of mutual agreement between the BOOKER and BRAVO SINGING WAITERS

All bookings are subject to our Terms and Conditions
