Hello!

So lovely to meet you,
and congratulations on your big day!

I'm Steph, a live illustrator, bringing art and
entertainment to events.

Live illustration is like entertainment, a photo booth,
and a keepsake—all rolled into one. Your guests will
receive a hand-drawn memento of the event,
capturing them in their finest outfits.

I also offer customized templates as well as an after-
event service to do any additional portraits that I may
not get time to do on the day.

All I need on the day is a table and chair—I'll take care
of the rest and make sure your event is unforgettable!

Can't wait to draw you,
Steph

HERE'S HOW IT WORKS...

I arrive 15 minutes early to set up with all materials provided.

Guests don't need to pose! I snap a quick photo so they can continue enjoying the event. Once a few portraits are done, word spreads fast!

Each portrait (2 people) takes about 12-16 minutes, depending on outfit details . Guests can watch, take photos, and enjoy the experience.

Completed portraits are packaged in protective sleeves—because I know how people get after champagne!

Each event is different, and the number of portraits I complete on the day will differ (if I have to move locations, how chatty people are etc). All portraits not completed on the day will be done in Studio after the event and sent to you.

If you want any additional guests illustrated to the number included in your package, I can do this for a discounted rate of \$15 per person (ie. a couple portrait will be \$30).

EXAMPLES OF WORK

WHAT I NEED FROM YOU...

BEFORE THE DAY

~ **Template Design** – Let's design the portrait paper to match your event aesthetic.

Note: Personalized template designs are included as complimentary for the Gold and Platinum packages. For Bronze and Silver packages, personalized template design is \$50.

~ **Details of the number of people/groups at your wedding**

~ **Setup Information** – A trestle-sized table at seated height works best and a chair - that's it! I will bring everything else!

ON THE DAY

~ **I arrive 15 minutes early for setup** —just let me know the table location.

~ **Post-Event Portraits** – If I don't complete all guest portraits on the day (the number of guests included in your package), I will complete their portraits in my Studio after the event. If you want more guests drawn than what is included in your package, just let me know so I can continue taking photos of guests even once I am at capacity.

~ **Enjoy your event!**
