

Gold Package

8 x 60 minute lessons

For a comprehensive and intricate routine, the Gold Wedding Dance Package is the perfect option. It offers an array of choreographed sequences designed to impress and delight. With the Gold Package, you'll receive personalised sessions tailored to your unique style and preferences, allowing you to incorporate lifts, spins, and flourishes that add flair and elegance to your performance.

This package not only focuses on the technical aspects of dance but also emphasises storytelling through movement. The experienced instructors will work closely with you to refine your technique, enhance your timing, and boost your confidence, ensuring that you and your partner shine brightly on your special day.

Whether you're aiming for a classic waltz, a lively salsa, or a romantic rumba, the Gold Wedding Dance Package provides the tools and guidance needed to create a memorable and breathtaking dance that will captivate your guests and create lasting memories.
