WEDDING SERVICE GUIDE

HELLO FRIEND,

I'm Stacie

PEARL
&

At Pearl Creative Styling, it's our mission to curate beautiful, meaningful moments.

Our signature style merges vibrancy, touches of magic and effortless luxury. PCS is led by a passion for all things creative. More than that, PCS create surroundings that allow you to become wrapped up in the moment.

We host every type of event, big or small, across the Mornington Peninsula, Melbourne and Victoria more broadly.

“With an eye for detail and a love of coordinating events, I'm here to help you in the lead up to your special day”

As an event planner, design, stylist and coordinator who creates unique experiences, I can bring an artful touch that will leave your guests talking for years to come. Interweaving meaningful stories and standout elements for any type of event, as I believe life is worth celebrating. I create settings where you can connect with your favourite people, whilst enjoying exquisite details. Most of all, I invest the time to understand your vision so I deliver an event that is a reflection of you.

Hosting an event can be overwhelming, there are so many elements to organise, decisions to be made and deliveries to be handled. Not to mention escalating costs. My curated packages include all the elements for a beautifully styled event along with the support you need to co-ordinate vendors, styling and logistics in the lead up and on the day.
