# Our Process

---

Thoughtful, collaborative,  
and tailored just for you.

We believe a well-planned wedding begins with connection and clarity. Our process is designed to be both intuitive and intentional.

We begin by getting to know your story and vision, then craft a tailored plan that reflects your style, preferences, and pace. Whether we're designing from the ground up or fine-tuning the final details, we create space for you to feel supported, inspired, and confident throughout the journey.

Because planning your wedding should feel as beautiful as the day itself.

## 1. Enquire & Connect

To begin, simply complete our online enquiry form. From there, we'll schedule a discovery call to connect, learn more about you as a couple, and hear your vision for the day. It's a relaxed, heartfelt conversation where we listen closely to your needs and ensure we're the right fit to bring your celebration to life.

## 2. Your Bespoke Proposal

Following our call, we'll prepare a customised proposal based on everything we discussed – your style, your priorities, and the level of support you're seeking. Once you're happy to proceed, a signed agreement and deposit will officially secure your date in our calendar. Let the magic begin!

## 3. Welcome to the Journey

With your booking confirmed, you'll receive a beautifully curated welcome pack tailored to your chosen service. Inside, you'll find a planning guide complete with key timelines, checklists, and helpful resources – all designed to keep you feeling calm, confident, and inspired as we move through the process together.

## 4. Design, Plan & Refine

Whether you're seeking full planning or simply expert support along the way, we'll guide you through each phase with care and clarity. From mood boards and supplier recommendations to timelines and logistics, every detail is considered.

## 5. The Big Day & Beyond

As your wedding day arrives, our team will be there to oversee every moment – ensuring a beautifully seamless celebration that allows you to be fully present. You've dreamed it, we've planned it – now it's time to celebrate it.

# FAQ

## WHY SHOULD I HIRE YOU AS MY PLANNER?

I've truly honed this craft—it's a balance of intuition, experience, and meticulous attention to detail. Each couple's journey is deeply personal to me, and I approach every wedding with the same care and dedication as if it were my own.

This work is more than logistics—it's heart-led in creating a planning experience that feels supportive, inspiring, and beautifully tailored to you.

## WHAT WILL I HAVE TO COMPLETE TO SECURE MY WEDDING DATE?

A signed terms and conditions and deposit payment must be received before your wedding date is officially on our Wedding Calendar. The remaining balance is due 30 days prior to your wedding or event, but can be paid early in multiple installments if you choose.

## HOW MUCH CAN I EXPECT TO INVEST?

Every wedding is unique, and so is the level of planning and design support it requires. Investment varies based on your vision, guest count, location, and the scope of services you need. Our full-scale planning begins at \$7,900.00, with custom proposals tailored to reflect your priorities and the complexity of your event.

We're always happy to walk you through what's possible and create a planning experience that feels aligned with your budget.

We would love to schedule a complimentary consultation with you to chat about your wedding and to find out if we are a great fit!

We offer in person or phone consultations.
