On the day Coordination

Team Engagement	3 months prior to your day, you'll receive a form where we collect your vendor details and discuss your expectations in detail. We become the main contact for your vendors.
Logistics & Setup oversight	Managing all styling, setup, and layout elements on the day, making sure everything is placed correctly and reflects the vision you've created.
Vendor Support & Guidance	We act as the central point of contact for your vendors, giving them the timelines and venue information they need for a smooth setup and pack-down.
Run sheets & Timelines	Creation of a detailed wedding day timeline, shared with you and your MC, along with floor plans, run sheets, and banquet event order details distributed to all vendors.
Final Venue Meeting	The final ceremony and reception venue walk through with yourself to ensure final questions are answered and clarify any last minute details.
Support On The Day	On the day, we're there to support you – overseeing the ceremony and reception setup, guiding vendors, and ensuring everything unfolds seamlessly so you can stay present and enjoy every moment until the dance floor opens
