"When looking for the perfect wedding venue we wanted something a little different from the many weddings we had been to before. A place that reflected our love of the country & that was truly unique. Cave Hill Creek ticked all the boxes – most obviously a beautifully breathtaking location off the beaten track that most guests had never seen or discovered, a venue that would function for both our ceremony & reception, friendly, easy going hosts who made organising a breeze. We couldn't have asked for more. Our day was spectacular & made all the more perfect by the magical location that is Cave Hill Creek."
