WEDDINGS

EXCLUSIVE PARTNERSHIP

ELOPE BLUE MOUNTAINS

For the first time, Mt Kanimbla Retreats now offers couples the opportunity to celebrate intimate weddings and elopements in one of Australia's most breathtaking World Heritage-listed landscapes.

Elope Blue Mountains is a full-service concierge team of industry professionals (and friends) who proudly call the Blue Mountains home.

With a shared love for this remarkable region, we come together to create deeply personal ceremonies set against spectacular escarpments, clifftops, and private venues, including the secluded beauty of Mt Kanimbla Retreats.

This collaboration allows couples to focus on what truly matters: meaningful moments, exceptional food, and celebrating their love, without the stress of coordinating multiple vendors.

By combining Elope Blue Mountains' local expertise with the privacy and luxury of Mt Kanimbla Retreats, your wedding or elopement is thoughtfully curated to feel seamless, relaxed, and unforgettable.

LUXURY CABINS

STAY WITH US

Woodlands Cabin | Adults only | 2 people

A secluded hideaway for two, featuring a fireplace, outdoor bath and sweeping bushland views – perfect for a romantic escape in nature.

Hilltop Cabin | Adults only | 2 people

Perched high above the valley, Hilltop offers luxury and tranquility with its plunge pool, stone bath and panoramic Blue Mountains vistas.

Location: Kanimbla Valley

The property is set in a rural, farm and bushland area with quiet and safe surrounds. All neighbours are also on acreage at quite a distance from the property and though you may catch a glimpse of homesteads through the trees at times, any potential noise from neighbouring properties is very minimal.

Due to our rural location and a long, uphill driveway, you will need a car to get around comfortably. Taxi and ride share companies are limited in the area and there is no public transport.

About the Blue Mountains

Nestled just a short drive from Sydney, the Blue Mountains is a UNESCO World Heritage site renowned for its breathtaking landscapes and rich biodiversity. This stunning region is characterised by its dramatic cliffs, deep valleys, and enchanting eucalyptus forests, offering visitors a sanctuary that feels worlds away from the hustle and bustle of city life.

The Lodge | Family friendly | Max 10

A spacious retreat for families or groups with four bedrooms and two living areas, The Lodge combines modern luxury with rustic charm – complete with fireplaces, pool and outdoor fire-pit.

Check in: from 3pm

Check out: 10am

Can we tour or inspect the property before we book?

We are unable to offer any tours or site inspections as we are usually booked with paying guests however for prospective brides (and grooms) we can offer a one-night midweek stay with a 30% discount for you to experience Mt Kanimbla Retreats for yourself. Contact us directly at events@mtkanimblaretreats.com.au to request.

Can we stay one night only?

We have a two night minimum stay, this allows your vendors plenty of time to set up before the ceremony and pack away afterwards.

Can we have early check in / late check out?

We are unable to accommodate early check-in as we have a small but dedicated team of cleaners who work hard to make sure your stay with us is perfect. If you do arrive significantly earlier than 3pm we have some local cafes that we could recommend for you to enjoy while you wait. For late check-out this would depend on future bookings so please contact us directly at events@mtkanimblaretreats.com.au and we will do our best to accommodate your request.

Can we have more than the total number of guests?

Our retreats are a perfect canvas for beautiful elopements and small, heartfelt weddings. For this reason we have capped the total number of guests to the maximum that our property can usually accommodate. Please note: your vendors such as celebrants and photographers aren't included in this number.

How much parking is available?

All parking is on site and freely available beside the cabins. Hilltop and Woodlands Cabin can easily allow two cars each while The Lodge can fit four cars.

Are there any restrictions?

Because we're nestled in a beautiful rural area, we kindly request that non-biodegradable confetti, rice, or freestanding candles aren't used to help protect our environment. Additionally we would ask you to adhere to quiet hours between 10pm - 8am for the sake of our neighbours.
