THE LIGHTHOUSE

## WEDDINGS AT THE LIGHTHOUSE

# WELCOME

Where ocean meets celebration.

Perched on the edge of Moreton Bay, The Lighthouse offers a refined yet relaxed setting for couples who want their wedding to feel effortless, elegant and deeply personal.

From long Mediterranean-style feasts to sunset champagne receptions, each wedding is thoughtfully curated to reflect your vision — with the water as your backdrop.

We host a limited number of weddings each year to ensure every celebration receives the care and attention it deserves.

# WHAT IS INCLUDED

At The Lighthouse, we believe planning your wedding should feel just as enjoyable as the day itself. Every wedding celebration hosted with us includes thoughtful support, experienced coordination, and carefully curated dining to ensure your celebration feels seamless from beginning to end.

## **Dedicated In-House Wedding Coordinator**

From your first viewing through to your wedding day, our in-house coordinator will guide you through the planning process, answer questions, and help ensure every detail is thoughtfully organised.

## **The Lighthouse Wedding Journey Guide**

Our personalised planning guide has been created to make the process feel calm and enjoyable. With timelines, checklists, and helpful planning tools, it helps couples stay organised and confident throughout their wedding journey.

## **Final Planning Meeting**

Held approximately five weeks before your wedding, this meeting allows us to review your timeline, confirm menu selections, seating arrangements, and supplier details so everything runs smoothly on the day.

## **Venue Setup & Coordination**

Our team will coordinate the setup of your reception space and assist with the flow of the evening, allowing you to relax and enjoy your celebration with your guests.

## **Professional Service Team**

Our experienced floor staff and bar team ensure your guests are well looked after throughout the evening.

## **Premium Tableware & Linen**

Standard table settings, including linens, glassware, crockery, and cutlery, are all included.

## **Waterfront Setting Overlooking Moreton Bay**

A naturally beautiful backdrop for celebrations, with sweeping water views and sunset light creating a relaxed coastal atmosphere.

# CEREMONIES

While The Lighthouse serves as a reception space only at this stage, we highly recommend Cleveland Point as a stunning location for your wedding ceremony. Nestled conveniently next to The Lighthouse venue and the historic lighthouse itself, this spot offers panoramic ocean views and a tropical ambience, making your ceremony truly unforgettable.
