Testimonials

“ The venue itself is incredible. The main area is really nice and tidy. With great club rooms for getting ready, and a beautiful golf course for getting pictures, we were extremely impressed. On top of that, the food was incredible. The function coordinators that supported us were amazing. Very flexible, great initiative, and wanted to support us every step of the way. We couldn't have asked for anything better!
- Sarah & Isaiah

“ Very excellent service on the day of the event. Very accommodating and helpful. The venue was clean, well presented and had everything we needed. The golf club has great facilities, very well maintained, great parking and a great range of activities to do. The golf course is very well kept and picturesque!
