Hi, I'm El—Co-Owner and Venue Manager at Leonards Hill Estate.

By now you've seen what we offer: the spaces, the inclusions, the details. But here's what the brochure can't fully show you—the feeling of your wedding day here. There's something special about seeing the estate in person. Most couples say they knew within minutes that this was their place.

I'm not just the venue manager who hands over keys. I'm your behind-the-scenes ally who genuinely cares that every detail feels right. I'll help you think through things you haven't considered yet, recommend suppliers I trust, and manage the behind-the-scenes details so your day flows beautifully.

I've seen couples cry during vows under the Grand Tree, laugh through cocktail hour in the Pavilion, and dance until the last song in The Shed. Then they walk 10 metres to bed, still buzzing from the best day of their lives. That's the experience I want for you.

READY TO SEE IT IN PERSON?

FREQUENTLY ASKED QUESTIONS

WHAT IF IT RAINS?

Indoor ceremony and reception spaces, plus a fully covered Pavilion for cocktail hour, ensure your day goes smoothly regardless of weather.

WHAT'S YOUR CAPACITY?

The Shed can fit up to 100 guests for a seated or cocktail reception.

CAN WE CHOOSE OUR OWN VENDORS?

Yes — you select every vendor to match your vision and budget, from caterers and florists to photographers and musicians.

WHEN CAN OUR VENDORS BEGIN SETTING UP?

Vendors can begin bump-in from 10am, giving plenty of time for setup before guests arrive.

CAN WE STAY AT THE HOMESTEAD THE NIGHT BEFORE OR AFTER?

The Homestead is included from 1pm on your wedding day and your wedding night. Night-before stays can be arranged if available.

CAN WE BRING OUR DOG?

Absolutely — we're a pet-friendly venue, so your furry family members are welcome.

DO WE NEED A WEDDING COORDINATOR?

It's optional. We manage vendor coordination, staff, and the flow behind the scenes, while some couples also choose to hire a stylist or coordinator for personal setup and styling support.

WHEN SHOULD WE BOOK?

Popular dates can book quickly, especially weekends. We recommend 12–18 months ahead for peak season (October–May), but it's worth enquiring even if your date is approaching.

HOW MANY WEDDINGS DO YOU HOST EACH WEEK?

We host only one wedding per day, Friday through Sunday. When you book, the estate is exclusively yours — no shared spaces or double bookings.
